

JOHN MENDELOFF

CURRICULUM VITAE

Graduate School of Public and International Affairs,
3219 Posvar Hall
University of Pittsburgh
Pittsburgh, PA 15260
(412) 648-2651
jmen@pitt.edu

EDUCATION

Ph.D. Graduate School of Public Policy, U.C. Berkeley, 1977
M.P.P. Graduate School of Public Policy, U.C. Berkeley, 1974
A. B. Harvard University, 1968 (Cum Laude in General Studies - Government)

POSITIONS

2014-- Adjunct Staff Member, RAND Corporation
2007--14 Director, RAND Center for Health and Safety in the Workplace and Senior Policy
Researcher, RAND Corporation
2004--06 Adjunct Staff Member, RAND Corporation
2003--04 Visiting Scholar, Center for the Study and Improvement of Regulation, Carnegie-
Mellon University
1993-- Professor, Graduate School of Public and International Affairs (Director, Master of
Public Administration Program, 1993-97, 2005-2006); Graduate School of Public
Health (Department of Health Services Administration and Department of
Environmental and Occupational Health), University of Pittsburgh
1988-93 Associate Professor (Founding Chairman, 1988-92) Department of Health Policy
and Management, School of Public Health, University at Albany, State University of
New York and New York State Department of Health; Associate Professor, School of
Public Affairs, State University of New York
1987-88 Assistant Clinical Professor, Department of Community and Family Medicine,
University of California, San Diego
1979-87 Assistant Professor, Department of Political Science, and Program in Science,
Technology and Public Affairs, University of California, San Diego
1978-79 Lecturer, Graduate School of Public Policy, U.C. Berkeley
1977-78 Consultant, Federal Interagency Task Force on Workplace Safety and Health
1976-77 Analyst, California Department of Industrial Relations
1970-72 Staff Member, Urban Planning Aid, Inc., Cambridge, Mass.

SELECTED PROFESSIONAL ACTIVITIES

Member, Board of Scientific Counselors, National Institute of Occupational Safety and Health, 2012-2014

Member, National Occupational Research Agenda Team for the Manufacturing Sector, National Institute of Occupational Safety and Health, 2007--

Editorial Board, *Regulation and Governance*, 2005--

Advisory Board, Harvard Center for Risk Analysis, Harvard School of Public Health, 1997-01

Executive Steering Committee, Center for Injury Research and Control, University of Pittsburgh, 1995-97, 2002-2007

Member, Grants Review Panel, Centers for Disease Control Program on Law and Public Health, 2001.

Ad Hoc Member, Grants Review Panel, National Institute of Occupational Safety and Health, 1997, 1998, 2005.

Editorial Board, *Journal of Policy Analysis and Management*, 1989-2004; Vernon Prize Committee (to choose best article) 1989, 1992, 1994, 2000

Member, Health Sciences Wide Panel on Medical Ethics, University of Pittsburgh, 1995-98

Member, Advisory Committee, U.S. Congress Office of Technology Assessment, Study on Methods for Estimating Costs of OSHA Standards, 1993-95

Member, Grants Review Panel for Socioeconomics, Environmental Protection Agency, Office of Exploratory Research, 1991, 1992, 1994

Member, New York State Injury Control Coordinating Committee, 1989-93

Member, Advisory Panel to U.S. General Accounting Office on Study of Occupational Safety and Health Administration, 1988

Member, National Academy of Sciences, Committee to Review the Status and Progress of the Injury Control Program at the Center for Disease Control, 1988

Co-Chairman, Advisory Committee on Financial Issues, State of California, Governor's Task Force on Hazardous Wastes, 1986

Member, National Academy of Sciences, Commission on National Statistics, Panel on Occupational Safety and Health Statistics, 1985-87

Member, National Academy of Sciences, Board on Radioactive Waste Management, Panel on Policies for Handling Nuclear Wastes at Oak Ridge National Laboratory, 1983-1985

Member, University Hospital (UCSD) Ethics Committee, 1982-88

Member, UCSD Health Professions Program Advisory Committee, 1980-88

Member, UCSD Extension, Advisory Committee on Alcohol Studies, 1985-88

CONTRACTS (as Principal Investigator)

California Commission on Health, Safety, and Workers' Compensation, "New Paradigms for the California OSHA Program, 2013-2014.

U.S. Department of Labor, Bureau of International Labor Affairs, "Human Resources Issues Affecting Labor Inspector Effectiveness in Developing Countries," 2013-2014.

U.S. Chemical Safety and Hazard Investigation Board, "Assessment of Usefulness of Process Safety Measures Proposed by ANSI/API Recommended Practice 754," 2012.

DuPont Sustainable Solutions, "Directions for Research on Leading Issues in Occupational Safety

and Health,” 2012

California Commission on Health, Safety, and Workers’ Compensation, “Extended Evaluation of the Injury and Illness Prevention Program in High-hazard Industries,” 2011-12

American Society of Safety Engineers Foundation, “Does the EU’s Requirement for ‘Risk Assessment’ Improve Workplace Safety and Health?” 2010-2011

U.S. Department of Labor, Office of the Assistant Secretary for Policy, “Design of Evaluation Projects for OSHA and the Wage and Hour Division,” 2010-2012

California Commission on Health, Safety, and Workers’ Compensation, “Evaluation of the California Injury and Illness Prevention Program,” 2009-2011

California Commission on Health, Safety, and Workers’ Compensation, “Analysis of the Impact of Experience Rating on Reported Injury Losses,” 2009-2011

U.S. Department of Health and Human Services, National Institute of Occupational Safety and Health, National Personal Protective Technology Laboratory, “Analysis of Personal Protective Equipment Violations in Pesticide-Related Inspections,” 2009

U.S. Department of Health and Human Services, National Institute of Occupational Safety and Health, National Personal Protective Technology Laboratory, “Analysis of Respiratory Protection and Hearing Conservation Program Violations in OSHA Inspections,” 2008-2009

ORC, Inc. and Duke Energy Foundations, “Metrics to Predict Serious Workplace Injuries,” 2007-2008

Workplace Health, Safety, and Compensation Commission of New Brunswick, Review of Strategic Plan and Programs, 2007

WorkSafeBC, Review of Governance and Prevention Activities in British Columbia, 2006-07

U.S. Department of Labor, Occupational Safety and Health Administration, Office of Regulatory Analysis, analyst of and witness for the proposed Ergonomics standard, 2000

U.S. Department of Labor, Occupational Safety and Health Administration, Office of Audits and Evaluation, Lead analyst for "Evaluation of OSHA Consultation Program," 1999-2001.

U.S. Department of Labor, Occupational Safety and Health Administration, Office of Regulatory Analysis, 1998-99.

U.S. General Accounting Office, Review of Cost-Benefit Analyses of Consumer Product Regulation, 1997.

New Zealand Department of Labour, Review of Draft Program on Occupational Safety & Health, 1996-97.

U.S. Department of Labor, Occupational Safety & Health Administration, “Information Needs for Improving Regulatory Analysis” 1996-97.

U.S. Department of Labor, Occupational Safety and Health Administration, "An Evaluation of Reinventing Government Initiative: Maine's ‘Top 200’ Program" 1995.

U.S. Department of Labor, Occupational Safety and Health Administration, "Potential Uses of State Workers' Compensation Data Systems to Serve OSHA’s Information Needs" 1994-95.

New York State Department of Health, An Evaluation of Regional Trauma Quality Assurance Projects, 1991-93.

U.S. Department of Labor, Office of the Assistant Secretary for Policy, Study of Interaction of Liability, Workers' Compensation, and Regulation of Occupational Health Hazards, 1988.

U.S. Department of Health and Human Services, National Institute of Occupational Safety and Health, Study of Fatalities, 1987.

U.S. Department of Labor, Occupational Safety and Health Administration, Study of Exposures to Toxic Hazards, 1983-84.

U.S. Congress, Office of Technology Assessment, Research for Project on Occupational Safety and Health Control Technology, 1982-83.

U.S. Department of Health and Human Services, National Institute of Occupational Safety and Health, Study of Occupational Accidents and OSHA Standards, 1981-88.

U.S. Department of Labor, Office of the Assistant Secretary for Planning, Evaluation, and Research, study of OSHA's effectiveness, 1975-76.

Also consultant to U.S. Department of Labor (OSHA and Office of Assistant Secretary for Policy), Ontario Ministry of Labour, Abt Associates, New Zealand Budget Bureau, Mathematica Policy Research, ICF, Inc., Westat, Summit, Savant Associates, Consad, Eastern Research Group, and others.

GRANTS (as PI)

National Institute of Occupational Safety and Health, 2017-2019, "Why Do Fatality Rates Vary in the Construction Sector?"

National Institute of Occupational Safety and Health, 2014-2017, "Which Safety Standards Matter?"
Alcoa Foundation, 2013-2014. "Causes of Serious Workplace Injuries and Illnesses in Brazil."

Smith Richardson Foundation, 2003-2004, "Performance and Learning in Regulatory Agencies"

National Institute of Occupational Safety and Health, 2003-06, "Causes and Consequences of Compliance with OSHA Standards."

National Institute of Occupational Safety and Health, 1999-2001, "The Effectiveness of OSHA Inspections in Manufacturing."

Centers for Disease Control, 1997, "Trauma Care in Pennsylvania: Access and Effectiveness" (through Center for Injury Research and Control).

National Science Foundation, 1985-86, Regulation and Policy Analysis Program. "A Method for Valuing the Effects of Public Health and Safety Programs."

University of California, Institute for Transportation Studies, 1985, "The Cost-Effectiveness of Highway Safety Projects in California."

PUBLICATIONS

Books

The Dilemma of Toxic Substance Regulation (Cambridge, MA: The MIT Press, 1988); Volume 17 in the Series on Regulation of Economic Activity.

Regulating Safety: A Political and Economic Analysis of OSHA (Cambridge, MA: The MIT Press, 1979).

RAND Monographs

Paul Heaton, James Dertouzos, James Anderson and John Mendeloff, "Compensation for Combat Deaths: Policy Considerations," RAND DB-633-OSD, March 2012.

John Mendeloff, Wayne Gray, Amelia Haviland, Regan Main, Jing Xia, *An Evaluation of the*

California Injury and Illness Prevention Program, RAND Technical Report TR-1190, January, 2012.

Tom LaTourette and John Mendeloff, *Mandatory Workplace Safety and Health Programs: Implementation, Effectiveness, and Benefit-Cost Trade-Offs*. RAND Technical Report-604-PA (2008).

John Mendeloff, Christopher Nelson, Kilkon Ko, Amelia Haviland. *Small Business and Workplace Fatality Risk: An Exploratory Analysis*. RAND Technical Report TR-371-ICJ (2006). A revised version appears as John Mendeloff, Christopher Nelson, Kilkon Ko, Amelia Haviland “Small Businesses and Workplace Fatality Risks,” Chapter 4 in *In the Name of Entrepreneurship?: The Logic and Effects of Special Regulatory Treatment for Small Business*, eds. Susan M. Gates and Kristin J. Leuschner (RAND Corporation: Santa Monica, CA, 2007).

RAND Working Papers

John Mendeloff and Seth Seabury, “Process Safety Metrics and Research Options,” December 2012.

Amelia Haviland, Wayne Gray, Regan Main, Jing Xia, John Mendeloff, “Are There Unusually Effective Inspectors and Inspection Practices?” March 2012.

John Mendeloff and Seth Seabury, “Evaluating Possible Deterrence Programs for the U.S. Department of Labor,” PM-4017-DOL, February 2012.
