1989-1990	Andrew Mellon Dissertation Fellowship, Woodrow Wilson Foundation
1990	Nellie Westerman Prize in Ethics, American Federation for Clinical Research

PROFESSIONAL ACTIVITIES

Teaching

Courses taught (full responsibility, except as noted):

University of Tennessee (1990-1991)

Medical Ethics (advanced undergraduate seminar)

The Human Condition: Reality and Values (introductory undergraduate course)

Philosophy of Law (graduate seminar)

University of Pittsburgh (1991-present)

Bioethics, HuGen 2041/BIOETH 2664; 3 credit graduate seminar; 100% responsibility; Fall 1992-2017

Clinical Practicum, BIOETH 2604; 3 credit clinical practicum for students in the Bioethics Program; Summer 1992-2010

Clinical Research Ethics; CLRES/MEDEDU 2050; 1 credit graduate seminar for students in the MS in Clinical Research program; Spring 2015

Conceptual Foundations and Ethics of Public Health; PUBHLT ##### 3 credit graduate seminar; Developed and approved by the Education Policies and Curriculum Committee of the GSPH Spring 1998

Directed Reading in Bioethics, BIOETH 2902; 1-3 credit graduate tutorial; 100% responsibility

Summer 2016: Palliative Care Ethics

Spring 2016: Ethical Issues in Pediatric End of Life Care, 3 cr.

Fall 2012: Ethical Issues in Transplantation, 3 cr.

Spring 2012: Ethical Issues in the Pharmaceutical Industry, 1 cr.

Spring 2009: Ethical Status of Non-human Animals and Implications for the Status in Medical Research, 1 cr.

Summer 2006: Informed Consent and Prenatal Genetic Testing, 3 cr.

Fall 2005: Ethical and Regulatory Issues in Clinical Research, 3 cr.

Summer 2005: Clinical Ethics, 3 cr.

Summer 2005: Prenatal Genetics, Preimplantation Diagnosis, and Enhancement, 3 cr.

Summer 2005: Ethical Issues in Research, 3 cr.

Spring 2005: Ethics and Genetic Research, 3 cr.

Spring 2005: Ethical Issues in Medical Genetics, 3 cr.

Spring 2003: Ethics of Newborn Screening, 3 cr.

Summer 2001: Feminist Approaches in Bioethics, 3 cr.

Spring 1998: Genetics, Ethics, and Preventionism, 3 cr.

Ethical Issues in Clinical & Public Health Genetics; non-credit required graduate seminar for students in the MS in Genetic Counseling Program; 50% responsibility; Fall or Spring 1999-2016

Ethical Issues in Clinical & Public Health Genetics, HUGEN 2052; 1 cr.; 50% responsibility; Spring 2017-2018

Ethical Issues in Genomic Medicine & Research; HONORS 1610; 3 credit Honors College undergraduate seminar; 100% responsibility; Summer 2014 & Summer 2015

Ethics & Aging; GERON 2001/BIOETH 2664 3 credit graduate seminar; 100% responsibility; Fall 2015

Ethics and Regulation of Clinical Research; 1 credit graduate seminar, 50% responsibility; Spring 2002

Feminist Theory: Knowledge, Norms, and Praxis; WOMST 2242; 3 credit graduate seminar; 100% responsibility; Spring 2014

Human Genetics Seminar: Ethical, Legal, and Social Issues, HuGen 2044; 1-3 credit graduate seminar; 50% responsibility; Spring 1994 & 2000

Independent Study, BIOETH 2990; 1-3 credit graduate tutorial; 100% responsibility

Spring 2008: Ethics of Mental Health Research, post-doctoral training

Spring 2002: IVF and the Public/Private, 2 cr.

Conceptions of Autonomy, 2 cr.

Spring 2000: Feminist Approaches in Bioethics, 3 cr.

MA Thesis Research, BIOETH 2904; 3 cr. graduate seminar for students in Bioethics Program; except as noted, 100% responsibility; Fall 1998-2013

Research Ethics, HSAdm 3012/BIOETH 2665; 1 credit graduate seminar; 50% responsibility; Spring 1999-2001

Research Ethics and the Responsible Conduct of Research, PUBHLT 2030; 1 credit graduate seminar; 50% responsibility; taught Fall 2013-2017

Research Ethics and the Responsible Conduct of Research in China, the United States, and the International Community; non-credit, six month course for Fellows in the Fogarty International Center (NIH) Training Program: Building International Research Ethics Capacity in China; January-June 2015 & Fall 2016

Special Topics in Bioethics, HuGen 2043/BIOETH 2698; 3 credit graduate seminar; 100% responsibility

Spring 2015: Gender, Ethics, and the Body (cross-listed: GSWS 2262)

Spring 2010: Gender, Ethics, and the Body
 Spring 2008: Gender, Ethics, and the Body
 Spring 2006: Feminist Approaches & Ethical Issues in Medical Genetics
 Spring 2005: Gender, Ethics, and the Body
 Spring 2005: Ethical and Philosophical Issues in Genetics
 Spring 2004: Gender, Ethics, and the Body
 Narrative Ethics and Medicine, 2 cr.
 Spring 2003: Women, Health, and Bioethics
 Ethical and Philosophical Issues in Genetics
 Spring 2001: Ethical and Philosophical Issues in Genetics
 Spring 2000: Feminist Approaches in Bioethics
 Spring 1999: Ethical and Philosophical Issues in Genetics
 Spring 1998: Ethical and Philosophical Issues in Genetics
 Feminist Approaches in Bioethics
 Spring 1997: Feminist Approaches in Bioethics
 Spring 1996: HIV Screening of Pregnant Women
 Spring 1993: Issues in Organ Transplantation

Special Topics in Women's Studies; WOMST 2240; 3 credit graduate seminar;
 100% responsibility; Spring 2002, 2006, 2008, & 2010

Test2Learn, collaborating faculty member and lecturer, on-line course,
<https://www.test2learn.org/>, 2017-present

Student and Trainee Supervision:

Trainee supervision (post-doctoral fellowships, training grants)

- 2002-2007 **India-U.S. Research Training Program in Genetics**, *training program faculty*,
 Fogarty International Center (NIH); 10% effort
- 2004-2007 **Training Program for Psychiatric Genetics in India**, *training program faculty*,
 Fogarty International Center (NIH); 10% effort
- 2004-2006 Ariel Gildengers, MD, Post-Doctoral Research Fellow, Department of Psychiatry,
 Bi-polar Disorder in the Elderly, NIMH K01, *consultant on career development
 award*
- 2004-2006 Francis Lotrich MD, PhD, Post-Doctoral Research Fellow, Department of
 Psychiatry, Pharmacogenomics of Medication-Induced Depression, NIMH K23
 Mentored Patient-oriented Research Career Development Award, *consultant and
 research ethics faculty mentor*

- 2004-2006 Jennifer Hagerty Lingler, PhD, MA, Post-Doctoral Research Fellow – Department of Psychiatry, *consultant and research ethics faculty mentor*
- 2004-2007 N. N. Mishra, PhD, Bioethics Post-Doctoral Fellow, Training Program for Psychiatric Genetics in India, Fogarty International Center (NIH), *training program faculty member*
- 2006-2007 Mario Cruz, MD, Assistant Professor of Psychiatry, “Evaluation of Depression in Primary Care Patients,” *co-investigator and research ethics faculty mentor*
- 2008 Brian Hanson Shirts, MD, PhD; *ethics mentor*
- 2008-2011 N. N. Mishra, PhD, Bioethics Post-Doctoral Fellow, Training Program for Psychiatric Genetics in India, Fogarty International Center (NIH), *training program faculty member*
- 2013-2015 Zélia Mota Quintas Ferreira, PhD, Department of Computational and Systems Biology, School of Medicine, Post-Doctoral Career Development, *team mentor*
- 2015-2017 Xiaoyun Chen, Shanghai University of Traditional Chinese Medicine, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*
- Lin Lu, Shanghai University of Traditional Chinese Medicine, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*
- Oi Lu, Shanghai Jiaotong University School of Medicine, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*
- Jie Qiao, China Academy of Chinese Medical Science, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*
- Yanqiao Wang, Teaching Hospital of Chengdu University of Traditional Chinese Medicine, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*
- Yang Yang, Dalian Medical University, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

Liyan Zhao, Peking University Health Science Center, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

Yuqin Zhu, Shanghai University of Traditional Chinese Medicine, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

2016-2018 Yuxiang Gu, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

Dandan Ju, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

Yang Li, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

Jian Liu, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

Xiaowei Mo, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

Weimin Yang, Building International Research Ethics Capacity in China, Fogarty International Center (NIH), *training program faculty member*

2016-2017 Tania Moerenhout, MD, Visiting Scholar, Center for Bioethics & Health Law

2017 Jens Kersten, Professor of Public Law and Governance at Ludwig-Maximilians-University in Munich, Germany, Visiting Scholar, Center for Bioethics & Health Law

2018 Anna Sedney, MD, Neonatology Fellowship of UPMC, *Scholarly Oversight Committee Advisor*

Thesis/dissertation supervision (as director)

1994-1995 Bethany Sgroi, MS Program in Genetic Counseling, “Values and Consult and Satisfaction: A Study of Nondirectiveness in Genetic Counseling.”

- 1994-1995 Rachel Ankeny Majeske, MA Program in Medical Ethics, “Ethical Issues in Candidate Selection.”
Associate Professor, University of Adelaide, Australia, as of 2006; portions of thesis published as “Transforming objectivity to promote equity in transplant candidate selection” in *Theoretical Medicine*, 1996, 17:45-59.
- 1994-1996 Elizabeth Chaitin, MSW, MA Program in Medical Ethics, “The Nature of Care in Nursing.”
Currently the Director of Hospital Based Palliative Care for the Palliative and Supportive Institute of UPMC and Assistant Professor of Medicine at the University of Pittsburgh School of Medicine in the Division of General Medicine in the Section of Palliative Care and Medical Ethics.
- 1994-1997 Athena Beldecos, MD, MA Program in Medical Ethics, “On the Distinction between Standard and Experimental Therapy.”
- 1995 Maria Silveira, MD, MA Program in Medical Ethics, “Terminal Illness and Criteria for Physician-Assisted Death.”
Currently Assistant Professor of Internal Medicine, University of Michigan Health System.
- 1995-1996 Donald Ainslie, PhD, MA Program in Medical Ethics, “AIDS and the Need for a Critical Bioethics.”
Currently Professor of Philosophy, University of Toronto; portions of thesis won the Student Paper Prize of the Society for Health and Human Values, and were subsequently published as:
“Questioning bioethics: AIDS, sexual ethics, and the duty to warn,” *Hastings Center Report*, 1999, 29(5):26-35.
“Bioethics and the problem of pluralism,” *Social Philosophy and Policy*, 2002, 19(2)1-28.
“AIDS and Sex: Is Warning a Moral Obligation?” *Health Care Analysis*, 2002, 10(1):49-66.
- 1995-1996 Daniel Crane-Hirsch, MA Program in Medical Ethics, “Responsibility and Mental Illness.”
Graduate of Harvard University School of Law, currently in the Office of Consumer Litigation at the U.S. Justice Department.
- 1996-1999 Paul Han, MD, MA Program in Medical Ethics, “Conceptual Premises and Ethical Problems of Preventive Interventionism.”

Currently Director of Center for Outcomes Research and Evaluation and board certified general internist and palliative care physician at Maine Medical Center.

- 1997-1998 Laura Marie Odwazny, JD, MA Program in Medical Ethics, “Conflicting Interests and Contested Committees: The Hospital Attorney Serving on the Hospital Ethics Committee.”
Currently Senior Attorney, Office of the General Counsel, U.S. Department of Health and Human Services (HHS) Office for Human Research Protections.
- 1999-2000 Jennifer B. Beck, JD, MA Program in Bioethics, “Bioethics’ Focus on Autonomy: Distracting from Difference.”
Currently practicing law in Akron, OH.
- 2000-2001 Nathan Kottkamp, JD, MA Program in Bioethics, “A Practical and Communitarian Critique of the Patients’ Bill of Rights.”
Currently practicing law in Virginia; most recent publication: “Building Bridges Over Straddled Fences: The questionable Duty to Warn Third Parties about Genetic Risks and How to Discharge It,” *Journal of Medical Ethics*, 2001.
- 2000-2001 Jennifer Packing, MA Program in Bioethics, “The Obligation to Improve Medical Practice in the Health Care of Women: An Ethical Argument in Favor of the Women’s Health Specialty and a Feminist Practice of Medicine.”
Currently practicing medicine in Winter Park, FL.
- 2001-2003 Jennifer Hagerty Lingler, MA Program in Bioethics, “Conceptualizing Dementia as a Relationship-Transforming Illness”
Currently Assistant Professor of Health & Community Systems, School of Nursing, University of Pittsburgh; her paper based on third thesis chapter was presented at the 2002 national meeting of the American Society for Bioethics and Humanities, Baltimore, MD.
- 2002-2003 Kamran Samakar, MA Program in Bioethics, “A Child’s Right to an Open Future: An Account of the Open Future from the Perspective of Well-being.”
Currently a practicing surgeon in Loma Linda, CA.
- 2002-2003 Amy Payne, MA Program in Bioethics, “Clinical Trials in Developing Nations: Meeting Urgent Health Care Needs of Participating Communities.”
Currently a faculty member at the University of Maryland, Baltimore County.

- 2002-2004 Shanthi Trettin, MD, MA Program in Bioethics, “Dualism of Embodied Identity: From Fashion to Medicine.”
Currently practicing psychiatry in Doylestown, PA.
- 2003 B. Harrison Levine, MFA, MD, Multi-disciplinary Master of Public Health Program, “Interpreting the Evolution of the clinical Ethics Teaching Program at the University of Pittsburgh School of Medicine Since 1986.”
Currently practicing psychiatry in Denver, CO.
- 2006-2007 James Tabery, MA Program in Bioethics, “From a Genetic Predisposition to an Interactive Predisposition: Rethinking the Ethical Implications of Research on Gene-Environment Interactions.”
<http://d-scholarship.pitt.edu/9465/>
Currently Associate Professor of Philosophy and Adjunct Associate Professor of Internal Medicine and Pediatrics, University of Utah.
- 2007 Colby Chamberlain, DO, MA Program in Bioethics, “Ethical Reasons to Involve Demented Patients in Their Care, and Why Physicians Fail to Do So.”
<http://d-scholarship.pitt.edu/8768/>
Currently practicing medicine in Pittsburgh, PA.
- 2007-2008 Angela Kornman, MA Program in Bioethics, “A Critique of the Theoretical Failings of an Abstinence-only Adolescent Sex Education.”
<http://d-scholarship.pitt.edu/7155/>
- 2006-2008 Valerie Satkoske, PhD, Health Care Ethics Program, Duquesne University, “Emergency Contraception, Catholic Hospitals, and Rape.”
<http://digital.library.duq.edu/cdm-ethics/document.php?CISOROOT=/etd&CISOPTR=92785&REC=19>
Currently Associate Director of the Center for Health Law and Ethics and Assistant Professor in the Department of Medicine at West Virginia University.
- 2008-2009 Autumn Boyer, MA Program in Bioethics, “‘Sorry’ Is as ‘Sorry’ Does: The Ethics of Institutional Apologies in Response to Medical Errors.”
<http://etd.library.pitt.edu/ETD/available/etd-04202009-132523/>
- 2009-2010 Tomas Bednar, MA Program in Bioethics, “The Ethical Permissibility of Infant Euthanasia.”
<http://etd.library.pitt.edu/ETD/available/etd-12022010-173314/>
Graduated from Temple University School of Law and is currently practicing law in Philadelphia, PA.

- 2009-2012 Mary Cooper, MD, MA Program in Bioethics, “‘We’re having this baby tonight!’ Medical Decision-Making Regarding Oxytocin Augmentation.”
<http://d-scholarship.pitt.edu/11914/>
Entered Family Medicine Residency, University of Massachusetts, Worcester, MA.
- 2009-2012 David Orenstein, MA Program in Bioethics, “Educating the Pediatric Ethics Committee: A Feminist Approach.”
<http://d-scholarship.pitt.edu/>
Serves as Chair of the Ethics Committee of Children’s Hospital of UPMC.
- 2009-2013 John Rief, MA Program in Bioethics, “Bioethics and Lifestyle Management: The Theory and Praxis of Personal Responsibility.”
<http://d-scholarship.pitt.edu/18457/>
Currently Assistant Professor of Communication & Rhetorical Studies, Duquesne University, Pittsburgh, PA.
- 2010-2011 Jennifer Damelio, MA Program in Bioethics, “Practical and Ethical Problems with ‘Vulnerability’.”
<http://etd.library.pitt.edu/ETD/available/etd-04222011-080749/>
Currently practicing law in West Chester, PA; her publications include “Enhancing Autonomy in Paid Surrogacy.” *Bioethics* 22.5 (2008): 269-77, with co-author K. Sorensen.
- 2011-2012 Elijah Horowitz, MA Program in Bioethics, “Towards an Empirical Test for the Reasonable Person Standard in Bioethics.”
<http://d-scholarship.pitt.edu/13681/>
- 2012 Aviva Katz, MD, MA Program in Bioethics, “Resisting Resistance to Change: A Critical Analysis of the Structure of Surgical Residency Training Programs.”
<http://d-scholarship.pitt.edu/17039/>
Appointed in 2014, as Director of the Consortium Ethics Program, the program of the Center for Bioethics & Health Law that provides clinical ethics education and consultation to regional hospitals; also serves as an ethics consultant and ethics committee member at Children’s Hospital of Pittsburgh of UPMC, where she is a surgeon.
- 2013 Leah Dugan, JD, MA Program in Bioethics, “Reporting Requirements for Physicians in the Case of Gun Control and the Mentally Ill.”
<http://d-scholarship.pitt.edu/20224/>

- 2013-2014 Rosalie Ferrari, MS Program in Genetic Counseling, “University of Pittsburgh Student-Athlete Perceptions of the NCAA Sickle Cell Trait Screening Program: An Ethical Analysis.”
<http://d-scholarship.pitt.edu/22345/>
Ferrari R, Parker LS, Grubs RE. Sickle cell trait screening of collegiate athletes: ethical reasons for program reform. *Journal of Genetic Counseling*, published online June 5, 2015. doi: 10.1007/s10897-015-9849-1. Currently seeking employment as a genetic counselor.
- 2013-2014 Marta Koltoff, MD, MA Program in Bioethics , “A Cross-cultural Ethical Examination of the Prenatal and Postnatal Management of Trisomy 18.”
<http://d-scholarship.pitt.edu/21582/>
Currently Assistant Professor of Clinical Genetics at Magee-Womens Hospital of UPMC.
- 2013-2016 Michael Freeman, MD, MA Program in Bioethics, [*The Ethical Implications of Emerging Genetic Predictors of Poor Organ Transplant Outcomes.*](#)
Currently Assistant Professor of Pediatrics at the Pennsylvania State University College of Medicine.
- 2013-2015 Crystal Lim, MA Program in Bioethics, an ethical protocol for selection of living-related organ donors in Singapore.
<http://d-scholarship.pitt.edu/25955/>
Currently serving as senior principal medical social worker at Singapore General Hospital, in charge of psychosocial evaluation for organ donation.
- 2013-2015 Zachary Mace, MA Program in Bioethics, “The Permissibility of Suicide in Light of the Right to Refuse Treatment.”
<http://d-scholarship.pitt.edu/24800/>
Currently employed in the medical device industry and planning to apply to doctoral programs in psychology.
- 2015 Judith Navratil, MA Program in Bioethics, “Setting Appropriate Guidelines for IRB Approval of Adolescent Research.”
<http://d-scholarship.pitt.edu/25939/>
Currently Research Review Coordinator for the University of Pittsburgh Institutional Review Board.
- 2015- Erin Johnson, MD, MA Program in Bioethics, “Pediatric Ethics Consultation: Discussions of Futility and Moral Distress When Caring for Children.”

- 2018- Emily Ruppel Herrington, MA, MA Program in Bioethics, “The Ethics of ‘Success’ in Candidate Evaluation and Informed Consent for Hand Transplantation.”
- 2018- Jessica Benham, MA Program in Bioethics, “Suffer the Little Children: The Ethics of Extended Childhood of Disabled Adults in Pennsylvania.”
- 2018- Anna Sedney, MD, MA Program in Bioethics, on ethical issues in neonatal care, particularly involving genome sequencing
- 2018- Jennifer Braverman, MD, MA Program in Bioethics, on the ethical significance of the label of lethality in caring for newborns with serious trisomies
- 2018- Roxana Nouri, MA Program in Bioethics, on ethical issues in ectogenesis
- 2018- Kevin Rivera, MA Program in Bioethics, on the ethical concerns in the use of non-opioid advance directives

Thesis/dissertation committee participation

- 1993-1998 Marie McConville Twal, Doctoral Candidate, Department of Health Services Administration, “Women’s Perceptions of the Value of Genetic Screening at Different Life Stages.”
- 1993 Susan YF Chen, MPH Program, “Lesbian Domestic Violence: A Framework Intervention in the Local Community.”
- 1997-2000 Ryan Sauder, MA Program in Medical Ethics, on justice in health care.
- 2000 Maggie Krum, MS Genetic Counseling, “Attitudes Toward Presymptomatic Testing for Huntington Disease: A Secondary Analysis.”
- 2000 Janice O’Connell, MS Genetic Counseling, “The Process of Childhood Genetic Testing: Parental Views and Intentions.”
- 2000-2002 Lisa Belicka Keranen, MA Program in Bioethics, “Taking Seriousness Seriously: An Analysis of Ethical Appeals Grounding Sanction Assignment for Research Misconduct.”
 Assistant Professor of Communication and Rhetoric, University of Colorado, Boulder.
 “Assessing the seriousness of research misconduct: considerations for sanction assignment.” *Accountability in Research* 2006, 13:179-205.

- 2003 Helen S. Nahouraii, DMD, Multi-disciplinary Master of Public Health Program, “The Development of a Survey of Oral Surgeons’ Drug Therapy Choices and Anesthesia Techniques.”
Public health dentistry doctoral program, University of North Carolina.
- 2003 Anna Skold, Behavioral and Community Health Sciences Master of Public Health, “Adolescent Knowledge and Risk Perception of Sexually Transmitted Infections in the Pittsburgh Area.”
Entered medical school at West Virginia University in Fall 2004.
- 2003-2008 Karen Frost-Arnold, PhD Candidate, Department of Philosophy, “Trust and Scientific Knowledge.”
<http://etd.library.pitt.edu/ETD/available/etd-07302008-161151/>
Appointed as Assistant Professor of Philosophy, Hobart & William Smith, Fall 2009.
- 2004-2006 Marcus Paroske, PhD Candidate, Department of Communication and Rhetoric, “The Rhetoric of AIDS Policy in South Africa.”
<http://etd.library.pitt.edu/ETD/available/etd-04182006-133611/>
Appointed as Assistant Professor of Political Science, Temple University.
- 2005-2008 Christine Mahady, PhD Candidate, Department of English, “Corporeality in Turn-of-the-Century American Literature, 1890-1920.”
<http://etd.library.pitt.edu/ETD/available/etd-08012008-212801/>
- 2008-2010 Autumn Boyer, PhD Candidate, Department of Communication, “Lifting ‘the Long Shadow’: Kategoria and Apologia in the Legacy of the Tuskegee Syphilis Study”
<http://etd.library.pitt.edu/ETD/available/etd-12072010-221138/>
- 2010-2011 Claire (Irving) Horner, MA Program in Bioethics, “A Frozen Debate: Finding an Ethical Solution for the Regulation of Embryo Donation.”
<http://etd.library.pitt.edu/ETD/available/etd-04212011-213342/>
- 2010-2011 Marriyam Moten, MPH, MBBS, MHA Program
- 2010-2013 Amy VanDyke, PhD Candidate, Healthcare Ethics Program, Duquesne University, “An Ethical Justification of Weight Loss Surgery.”
<http://gradworks.umi.com/3558282.pdf>
Appointed as clinical ethicist Kaiser Permanente West Los Angeles Medical Center, effective September 1, 2014.

- 2010-2011 Marriyam Moten, MD, MPH, MHA Program
- 2014 Michael Aaronson, MA, MHA Program, “Ethical Resource Allocation: A Proposed Framework.”
- 2014-2015 Eve Kalynchuk, MS Program in Genetic Counseling, “Understanding Parental Opinions on Whole Exome Sequencing in the Prenatal Setting.”
Manuscript based on thesis: Kalynchuk EJ, Althouse A, Parker LS, Rajkovic A. Prenatal whole exome sequencing: parental attitudes. *Prenatal Diagnosis*, 2015; 35(10):1030-6. doi: 10.1002/pd.4635 PMID: 26151551
- 2014-present Chloe Hansen, PhD candidate, Department of Communication, University of Pittsburgh, “Living With Death: Contemporary U.S. Discourses on Death and Dying.”
- 2016 Kathleen Elise Vitullo, MPH Essay, “Substance Use Disorders: Treatment with Genetic Potential?” *Reader*.
- 2016-2017 Lauren Ross, MD, PhD, MA Program in Bioethics, [*Stem Cell Development and the Pathway Model: Scientific Puzzles and Bioethical Issues*](#).
Assistant Professor in the Logic and Philosophy of Science Department at the University of California, Irvine.
- 2018- Emily Ruppel Herrington, PhD candidate, Department of Communication, University of Pittsburgh, “The Rhetorical Lifecycle of ‘Success’ in Experimental Medicine.”

Graduate student supervision

- 1991-1992 Athena Beldecos, Graduate Research Assistant, Center for Bioethics and Health Law.
- 1992-1993 Lisa Wettick, Graduate Research Assistant, Center for Bioethics and Health Law.
- 1992 John Jones, Clinical Practicum, MA Program in Medical Ethics, Department of History and Philosophy of Science.
- 1992 Rachel Majeske, Clinical Practicum, MA Program in Medical Ethics, Department of History and Philosophy of Science.
- 1993-1994 Molly Sear, Graduate Research Assistant, Center for Bioethics and Health Law.

- 1993-1996 Rachel Ankeny Majeske, Graduate Research Assistant, Center for Bioethics and Health Law.
- 1994 Kathleen Reilly, Research Assistant, Center for Bioethics and Health Law.
- 1994 Daniel Crane-Hirsch, Clinical Practicum, MA Program in Medical Ethics, Department of History and Philosophy of Science.
- 1994-1995 Jennifer Bushee, Graduate Research Assistant, Center for Bioethics and Health Law.
- 1996-1997 Andrew S. Backe, Graduate Research Assistant, Center for Bioethics and Health Law.
- 1997 Paul Han, MD, Clinical Ethics Fellowship.
- 2000 Shanthi Trettin, School of Medicine Summer Research Program, “Competence Assessment in Adolescent and Geriatric Patients.”
- 2006 Joe Ali, Graduate Research Assistant, Center for Bioethics and Health Law.
- 2007 Marianne Burda, MD, Doctoral Candidate in Health Care Ethics, Duquesne University, Oral Examination Committee.
- 2007 Valerie Satkoske, Graduate Research Assistant, Center for Bioethics and Health Law.
- 2004-2008 J. Rob Klune, Area of Concentration in Medical Humanities, School of Medicine.
- 2004-2008 Ruth Overlease, Area of Concentration in Medical Humanities, School of Medicine.
- 2006-2008 Ruth Overlease, School of Medicine, Scholarly Project: “An Examination of Job: Religious and Medical Responses to Suffering.”
- 2006-2009 Dahlia Balsamo, Area of Concentration in Medical Humanities, School of Medicine.
- 2005-2009 Anna Raphael, Area of Concentration in Medical Humanities, School of Medicine.
- 2007-2009 Anna Raphael, School of Medicine, Scholarly Project: “Effects of ‘Gallows’ and ‘Anti-Gallows’ Humor on Medical Student Empathy.”

- 2005-2009 Megha Shah, Area of Concentration in Medical Humanities, School of Medicine.
- 2007-2009 Megha Shah, School of Medicine, Scholarly Project: “Culture and Medical Practice: Discrepant Perception of Medical Problems between Patients and Health Care Providers.”
- 2006-2010 Laura Polanec, Area of Concentration in Medical Humanities, School of Medicine.
- 2007-2010 Kate Flom Kline, School of Medicine, Scholarly Project: “Racial and Ethnic Categories in Guidelines for Genetic Testing.”
- 2008-2012 Mary Cooper, Area of Concentration in Medical Humanities, School of Medicine.
- 2009-2013 Timothy Depp, Area of Concentration in Medical Humanities, School of Medicine.
- 2012 David Cohen, First Year Medical Student Summer Research Fellowship, University of Pittsburgh School of Medicine, on the management of incidental findings of whole exome sequencing (WES).
- 2012 Ruchika Vij, First Year Medical Student Summer Research Fellowship, University of Pittsburgh School of Medicine, on the management of incidental findings of whole exome sequencing (WES).
- 2014 Elizabeth Heffner, Gender, Sexuality, and Women’s Studies Program Graduate Certificate, “Infant Mortality: Through the Intersection of Race, Class, and Gender.”
- 2014 Cynthia Swinehart, Gender, Sexuality, and Women’s Studies Program Graduate Certificate, “Autonomy and Legitimacy: Problems of Multiculturalism.”
- 2018 Megan Raymond, Dean’s Summer Research Program, on investigators’ preparedness to return results of genomic sequencing studies to members of underrepresented/underserved groups.

Undergraduate supervision

- 1992, 1993 Elizabeth Miller (Vassar College), Summer Intern, Center for Medical Ethics.

- 1993 Harold Brown, Walls Scholar and Summer Intern, University Challenge for Excellence Program.
- 1993 Rana Snipe, Public Health Careers Opportunity Program, “Detecting Phenylketonuria Through Newborn Genetic Screening: Its Ethical and Legal Implications.”
- 1994 Stephen Bouffard (Indiana University of Pennsylvania), 6 credit independent study on ethics, genetics, and concepts of disease.
- 1994-1995 Christopher Wood, QUEST Program, “Prenatal Genetic Screening: Lessons from NIH Trial 076, Prenatal Use of AZT” and “Phenylketonuria: The Morality of Mandatory Screening and treatment.”
- 1998 Lingaire Nije, R.K. Mellon Summer Intern, Center for Medical Ethics.
- 1998 Shannon Duff, Center for Medical Ethics Summer Intern.
- 1999 Hilary Leeds, Center for Bioethics and Health Law Summer Intern.
- 1999 Kandice Lewis, University Challenge for Excellence Program, Center for Bioethics and Health Law Intern.
- 1999 Terry Roberts, Mellon Summer Intern, Center for Bioethics and Health Law.
- 2000 Courtland Longest, Center for Bioethics and Health Law Summer Intern.
- 2001-2002 Briana Mezuk, Bachelor of Philosophy Thesis, Honors College, University of Pittsburgh. “The Ethos of Psychiatric Genetics and its Public Health Implications for Schizophrenia and Attention Deficit-Hyperactivity Disorder.”
Completed doctoral program in public health at Johns Hopkins University Spring 2007.
- 2002 Hilary K. Alvarez, Summer Intern, Center for Bioethics and Health Law, “The Legacy of Tuskegee” curriculum module development project.
- 2003 Caitlin Jones, Summer Intern, Center for Bioethics and Health Law.
- 2004 Katherine Matson, Spring Intern, Center for Bioethics and Health Law.
- 2004 Caitlin Jones, Summer Intern, Center for Bioethics and Health Law.

- 2005-2006 Kathleen Williams, BA, Intern and Research Assistant, Center for Bioethics and Health Law.
- 2007 Ryan Morhard, Research Intern, Center for Bioethics and Health Law.
- 2007 Kelly Jones, Summer Intern, Center for Bioethics and Health Law.
- 2010 Mikaela Rakos, Summer Intern, Center for Bioethics and Health Law.
- 2015 Ethan Alexander García Baker, Brackenridge Fellowship: Broadening Conceptions of Health: Lessons from Latin American Social Medicine.
- 2016 Faculty advisor for *The Pitt Pulse*, Volume IV, Issue IV (Summer 2016) *Breaking Ground on a Broken Bedrock: Diversity and Disparities in Medicine*.
- 2018 Julia Sharretts Mouat, University Honors College, summer research on ethical and cultural issues associated with mtDNA replacement therapy.

Other University of Pittsburgh teaching:

1. “Use and Regulation of Human Subjects in Biomedical Research.” Research Ethics Seminar (HSAdm 3012), September 4, 1991.
2. “Ethical Decisionmaking in Health Care Management.” Health Program and Policy Management (HSAdm 2512), September 16, 1991.
3. Human Genetics and Epidemiology Discussion Group, November 22, 1991.
4. “Ethics and the Human Genome Project.” Genetic Counseling Internship (HuGen 2036), February 6, 1992.
5. “Ethics and the Human genome Project.” Human Genetics (HuGen 2017), February 13, 1992.
6. “Ethics in Graduate Student Research.” Issues in Health Care, School of Health and Rehabilitation Sciences, April 2, 1992.
7. “Ethics and Genetic Counseling.” Genetic Counseling Internship (HuGen 2036), April 2, 1992.
8. “Ethics and Genetic Counseling.” Human Genetics (HuGen 2017), April 21, 1992.

9. "Ethical Decisionmaking in Health Care Management." Health Program and Policy Management (HSAdm 2512), September 30, 1992.
10. Genetics, Genetic Counseling, Genetic Testing and Screening, and Genetic Engineering. Regulation of Biomedical Innovation (Bioethics and Law), School of Law, November 11-20, 1992.
11. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 20, 1992.
12. "Overview of Medical Ethics: Framework and Classic Problems." Genetic Counseling Internship, January 7, 1993.
13. "To Direct or Not to Direct: Is that Really the Question?" Genetic Counseling Internship, January 14, 1993.
14. "Will Genetic Services Bankrupt--Conceptually and Financially--the American Health Care System?" Genetic Counseling Internship, January 28, 1993.
15. "Ethnocultural Issues in Genetic Counseling." Principles of Genetic Counseling, September 29, 1993.
16. Genetics, Genetic Counseling, Genetic Testing and Screening, and Genetic Engineering. Bioethics and Law, School of Law, November 15-29, 1993.
17. "Genetic Discrimination." Human Genetics (HuGen 2017), February 17, 1994.
18. "Ethical Issues in Clinical Cases." OB Residents Conference, February 28, 1994.
19. "Bioethics, Ethics Committees, and Genetic Counseling." Genetic Counseling Internship (HuGen 2036), March 24, 1994.
20. "Interests of Third Parties in Genetic Information." Human Genetics (HuGen 2017), March 31, 1994.
21. "Regulatory and Cultural Contexts for Approaching Women's Health Issues: The Case of Breast Implantation." Public Health Approaches to Women's Health (HSAdm 2599), June 9, 1994.
22. "Ethical Decisionmaking in Health Care Management." Health Program and Policy Management (HSAdm 2512), October 25, 1994.

23. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 11, 1994.
24. Genetics and Genetics Counseling. Bioethics and Law, School of Law, November 14-16, 1994.
25. "Boundaries of Medical Care: Breast Augmentation." Medicine, Ethics, and Society, School of Medicine. December 14, 1994.
26. "Bioethics, Ethics Committees, and Genetic Counseling." Genetic Counseling Internship (HuGen 2036), March 23, 1995.
27. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 15, 1995.
28. "Ethics in Pediatric Care: Conflicts among Family, Attending Physician, and Health Care Team." November 7, November 14, and November 21, 1995.
29. "Ethics of Pregnancy Continuation in a Cervical Cancer Patient." OB Residents Conference, December 6, 1995.
30. "Eugenics and Public Health Initiatives." History of Medicine, Department of History and Philosophy of Science, February 21, 1996.
31. "Ethics in the Medical Intensive Care Unit." Clinical Ethics Training Program, February 27, 1996.
32. "Ethical Considerations in Protocols to Test Medical Devices: The Case of Left Ventricular Assist Devices." Ethics in Bioengineering, March 22, 1996.
33. "Ethics, Ethics Committees, and the Values of Genetic Counseling." Genetic Counseling Internship (HuGen 2036), March 28, 1996.
34. Genetics, Genetic Counseling, Genetic Testing and Screening. Bioethics and Law, School of Law, April 15, April 16, and April 22, 1996.
35. "Patients' and Physicians' Perceptions of the Relevance of Fetal Race as Indication for Pregnancy Termination." Clinical Ethics Training Program, August 28, 1996.
36. "Ethical Issues in Pediatric Care." Clinical Ethics Training Program, September 17, 1996.
37. "Uses and Abuses of Patient Labeling." Clinical Ethics Training Program, October 8 and October 15, 1996.

38. “Nondirective Genetic Counseling, Bioethics, and Value Neutrality.” Genetic Counseling Internship (HuGen 2036), February 6, 1997.
39. “Ethics: Committees, Counseling, and Cases.” Genetic Counseling Internship (HuGen 2036), February 13, 1997.
40. “Dolly the Pediatric Clone: Ethical Issues Raised by Cloning.” Clinical Ethics Training Program, February 25, 1997.
41. “Standard of Care: Is There an Obligation to Provide a Phone?” Clinical Ethics Training Program, March 4, 1997.
42. “Standard of Care, Patient Preferences, and Hospital Advertising.” Clinical Ethics Training Program, March 11, 1997.
43. “Ethics and Emergency Care.” Emergency Department, Presbyterian-University Hospital, March 13, 1997.
44. “Lessons from Tuskegee: Humans Subjects - Rights and Regulation.” Research Integrity Workshop, Graduate School of Public Health, March 13, 1997.
45. “Ethical Issues in Chemoprevention Clinical Trials.” Neoplasia Seminar for 4th Year Medical Students, March 14, 1997.
46. “Ethical Concerns in Pediatric Care.” Clinical Ethics Training Program, March 18, 1997.
47. “Genetic Screening, Counseling, and Standard of Care.” Ethics Elective for 4th Year Medical Students, May 1, 1997.
48. “Bioethics and Informed Consent.” Research Practicum (NURS 2022), October 22, 1997.
49. “Ethical Issues in Cytogenetics.” Chromosomes & Human Disease (HuGen 2031), November 12, 1997.
50. “Parental Refusal of Children’s Treatment on Religious Grounds.” Clinical Ethics Training Program, January 5, 1998.
51. “Family Dynamics and Medical Decision-making.” Clinical Ethics Training Program, January 12, 1998.
52. “The Subject-Investigator Relationship.” Research Ethics Seminar (HSAdm 3012), January 14, 1998.

53. "Ethical Challenges in Pediatric Practice." Clinical Ethics Training Program. January 19, 1998.
54. "Ethics, Ethics Committees, and the Values of Genetic Counseling." Genetic Counseling Internship (HuGen 2036), January 22, 1998.
55. "Cases and Concerns in Genetic Counseling." Genetic Counseling Internship (HuGen 2036), January 29, 1998.
56. "Ethical Considerations in Protocols to Test Medical Devices: The Case of Left Ventricular Assist Devices." Ethics in Bioengineering, February 13, 1998.
57. Genetics, Genetic Counseling, Genetic Testing and Screening. Bioethics and Law, School of Law, March 19, March 20, March 26, and March 27, 1998.
58. "Ethical Issues in Medical Genetics." Ethics Elective for 4th Year Medical Students, April 30, 1998.
59. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 13, 1998.
60. "The Subject-Investigator Relationship." Research Ethics Seminar (HSAdm 3012), January 13, 1999.
61. "Cases and Concerns in Genetic Counseling." Genetic Counseling Internship (HuGen 2036), January 14 and January 28, 1999.
62. "Ethical Issues in Clinical Trials." Integrated Life Sciences-Neoplastic Disease Course for 4th Year Medical Students, March 5, 1999.
63. Genetics, Genetic Counseling, Genetic Testing and Screening. Bioethics and Law, School of Law, March 29-31 and April 5, 1999.
64. "Genetic Screening, Counseling, and Standard of Care." Ethics Elective for 4th Year Medical Students, May 10, 1999.
65. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 5, 1999.
66. "Randomized Clinical Trials and Clinical Equipoise." Research Ethics Seminar (HSAdm 3012), January 12, 2000.

67. "Cases and Concerns in Genetic Counseling." Genetic Counseling Internship (HuGen 2036), January 13 and January 27, 2000.
68. "The Subject-Investigator Relationship." Research Ethics Seminar (HSAdm 3012), January 19, 2000.
69. "Ethics of Clinical Trials." Neoplasia Elective for 4th Year Medical Students, March 3, 2000.
70. Genetic Counseling, Genetic Testing and Screening. Bioethics and Law, School of Law, March 27, March 28, and March 29, 2000.
71. "Genetic Screening, Counseling, and Standard of Care." Ethics Elective for 4th Year Medical Students, May 5, 2000.
72. "Ethical Issues in Clinical Trials: Randomization, Equipoise, Placebos, and Deception." Department of Medicine, August 2, 2000.
73. Medicine, Ethics, and Society, School of Medicine. August 16, 30, September 13, October 4, 11, 18, November 1, 8, 2000.
74. "Ethical Issues in Pediatrics." 3rd Year Medical Students, September 25, 2000.
75. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), November 15, 2000.
76. Informed Consent in Pediatrics. 3rd Year Medical Students, January 29, 2001.
77. Surrogate Decision Making in Pediatrics. 3rd Year Medical Students, February 5, 2001.
78. Competency Determination in Pediatric Medicine. 3rd Year Medical Students, February 12, 2001.
79. Ethics Cases in Pediatrics. 3rd Year Medical Students, February 19, 2001.
80. Medical Confidentiality for Minors. 3rd Year Medical Students, March 12, 2001.
81. Genetics and Law: Standards of Care for Testing, Discrimination, and Disclosure. Bioethics and Law, School of Law, April 9, 10, 11, 2001.
82. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), November 14, 2001.

83. "Ethics in Genetic Testing, Screening, and Prevention." Molecular Epidemiology Seminar, November 21, 2001.
84. "Ethical Issues in Clinical Trial Design." Ethics and Regulation of Clinical Research. Department of Medicine. February 5, 2002.
85. Medicine Ethics and Society. April 3, May 8, 15, 2002.
86. "Genetics in Primary Care: Ethical and Professional Challenges." 4th Year Medical Students, May 7, 2002.
87. "Confidentiality and Managed Care Concerns." 3rd Year Medical Students, June 10, 2002.
88. End of Life Issues. Medicine, Ethics, and Society, School of Medicine, August 28, 2002.
89. "Confidentiality and Managed Care Concerns." 3rd Year Medical Students, September 23, 2002.
90. Medicine, Ethics, and Society, School of Medicine, October 9, October 16, 2002.
91. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 6, 2002.
92. "Women and End-of-Life Decisionmaking." UPMC-Shadyside Residency Program, January 10, 2003.
93. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 7, 2003.
94. "Ethical Issues in Study Design." Psychiatric Epidemiology and Alcohol Research Training Programs Research Methods Seminar, Department of Psychiatry, April 2, 2004.
95. "Genetics in Clinical Care: Ethical and Professional Challenges." 4th Year Medical Students, May 10, 2004.
96. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), October 27, 2004.
97. "Reproductive Cloning: Ethical Considerations." German Children's Literature, November 30, 2004.

98. "Selection of Research Subjects for Trial of Putative Inferior Therapies: Considerations of Justice, Consent, and Benefit in Trials of Left Ventricular Assist Devices." MD/PhD Ethics Seminar, June 16, 2005.
99. Medicine, Ethics, and Society, School of Medicine, September 14, September 21, and October 5, 2005.
100. "Gender and Ethics: Biological and Social Arguments in Moral Psychology." Introduction to Women's Studies (WS 0100), October 11, 2005.
101. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), November, 2, 2005.
102. "Ethics Questions: Framing the Issues, Organizing Answers – Preparing for Medical School Interviews." Alpha Epsilon Delta Premedical Honor Society, University of Pittsburgh, November 4, 2005.
103. "Genetics in Clinical Care: Ethical and Professional Challenges." Ethical Issues in Clinical Practice, 4th Year Medical Students, May 5, 2006.
104. "Complex Human Subjects Research Issues," with Christopher Ryan, PhD, Research Methods Seminar, Center for Research and Evaluation, School of Nursing, June 19, 2006.
105. "Reporting Individualized Research Results and Incidental Findings to Subjects." MD/PhD Ethics Seminar, June 29, 2006.
106. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), October 20, 2006.
107. "Genetics in Clinical Care: Ethical and Professional Challenges." Ethical Issues in Clinical Practice, 4th Year Medical Students, March 28, 2007.
108. "Reporting Individualized Research Results and Incidental Findings to Subjects." MD/PhD Ethics Seminar, May 22, 2007.
109. "Genetics in Clinical Care: Ethical and Professional Challenges." Ethical Issues in Clinical Practice, 4th Year Medical Students, March 18, 2008.
110. Ethical Issues in Pre-clinical Detection of Dementia." WPIC Wide Journal Club, December 18, 2008.

111. "Genetics in Clinical Care: Ethical and Professional Challenges." Ethical Issues in Clinical Practice, 4th Year Medical Students, March 12, 2009.
112. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), October 23, 2009.
113. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), November 5, 2010.
114. "Genetics in Clinical Care: Ethical and Professional Challenges." Ethical Issues in Clinical Practice, 4th Year Medical Students, March 11, 2011.
115. "Ethical Issues in Presymptomatic Testing for Huntington Disease." Department of Neurology Resident Training Program, May 5, 2011.
116. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), November 18, 2011.
117. "Genetics in Clinical Care: Ethical and Professional Challenges." Ethical Issues in Clinical Practice, 4th Year Medical Students, March 13, 2012.
118. "Managing Research Results and Incidental Findings: Problems with the Apparent Consensus." Department of Human Genetics Noon Seminar, September 21, 2012.
119. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), November 8, 2013.
120. "Ethics and Professionalism: The Difference and the Challenges." Leadership Education in Neurodevelopmental Disabilities and Related Disorders (LEND), School of Health and Rehabilitative Sciences, January 29, 2014.
121. "Ethical Issues in Reproductive Genetics," Ethics Elective for 4th Year Medical Students, March 10, 2014.
122. "Genomic Sequencing in Clinical Care: Ethical Issues for Clinicians" Ethics Elective for 4th Year Medical Students, March 11, 2014.
123. "Ethical Issues: Contrasting Approaches in Clinical Research and Clinical Care." Ethics for Medical Scientists (MSTP 5983) for MD/PhD students, May 1, 2014.
124. "Ethical Issues Associated with PGx [pharmacogenomics], D-T-C [direct-to-consumer] G-testing [genetic testing], & Educational Research." Drug Development II / PGx Test2Learn Project, School of Pharmacy, August 27, 2014.

125. "Incidental Findings of Genome Sequencing: Clinicians' Duties & Patients' Rights." Magee-Womens Hospital Grand Rounds. Pittsburgh, PA, October 28, 2014.
126. "Ethics and Professionalism: The Difference and the Challenges." Leadership Education in Neurodevelopmental Disabilities and Related Disorders (LEND), School of Health and Rehabilitation Sciences, January 21, 2015.
127. "Ethical Issues Associated with PGx [pharmacogenomics]. D-T-C [direct-to-consumer] G-testing [genetic testing], & Education Research." Drug Development I/PGx Test2Learn Project, School of Pharmacy, February 9, 2015.
128. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), December 11, 2015.
129. "Ethics and Professionalism: The Difference and the Challenges." Leadership Education in Neurodevelopmental Disabilities and Related Disorders (LEND), School of Health and Rehabilitative Sciences, January 20, 2016.
130. "Ethical Issues Associated with PGx [pharmacogenomics]. D-T-C [direct-to-consumer] G-testing [genetic testing], & Education Research." Drug Development I/PGx Test2Learn Project, School of Pharmacy, February 8, 2016.
131. "Genomic Technologies' Impact on Populations and Future Generations." Public Health Area of Concentration seminar, March 16, 2016.
132. "Ethics of Personalized Medicine." Basics of Personalized Medicine (MSCMP3790), School of Medicine, September 8, 2016.
133. "Ethical Issues Associated with D-T-C Genetic Testing & PGx." Precision Medicine, Carnegie Mellon University, September 8, 2016.
134. "Ethics and Genetic Enhancement Technologies." Medicine & Morality, University of Pittsburgh, October 18, 2016.
135. "Ethical Aspects of Clinical Trial Design." Fundamentals of Clinical Trials, Masters in Clinical Research Program, Institute for Clinical Research Education. January 19, 2017.
136. "Ethical Issues Associated with PGx [pharmacogenomics]. D-T-C [direct-to-consumer] G-testing [genetic testing], & Education Research." Drug Development I/PGx Test2Learn Project, School of Pharmacy, January 19, 2017.

137. “Genetics in Clinical Care: Ethical and Professional Challenges.” Ethics Elective for 4th Year Medical Students, March 16, 2017.
138. “Ethics, Precision Medicine, and Cytogenetics.” Chromosomes & Human Disease (HuGen 2031), April 19, 2017.
139. “Ethics of Personalized Medicine.” Personalized Medicine Elective (MSCMP3790), September 23, 2017.

Continuing and community education:

1. Discussion leader. Ethics and Resource Allocation: The Health Care Dilemma for the Nineties, sponsored by the Hospital Council of Western Pennsylvania, Warrendale, PA, October 2, 1989.
2. “Persons, Politics, and ‘Living Wills.’” The Carnegie-Mellon Faculty Club and the Pittsburgh College Club, Pittsburgh, PA, November 17, 1989.
3. Panel participant. The State of Graduate Education in Bioethics, Summer Bioethics Retreat, Lutsen, MN, June 30, 1990.
4. “Allocating Experimental Medical Therapies.” Medical Ethics Grand Rounds, University of Tennessee Medical Center-Knoxville, Knoxville, TN, November 13, 1990.
5. Panel participant. “Genetic Engineering: Tinkering with God’s Plan?” East Liberty Presbyterian Church Colloquium, Pittsburgh, PA, March 2, 1991.
6. “No Free Lunch: The Ethics of Pharmaceutical Marketing Practices.” Medical Ethics Grand Rounds, University of Tennessee Medical Center-Knoxville, Knoxville, TN, May 14, 1991.
7. Invited discussion participant. “Ethics, Economics, and Ecology.” Liberty Fund Conference, Big Sky, MT, June 17-23, 1991.
8. “The Humanities and the Professions.” Mellon Fellows’ Conference on Scholarship and Society, Bryn Mawr, PA, June 15, 1991.
9. “Ethics of the Three Rs: Reading, Writing, and Research.” Doctoral Student Organization Lecture Series, Graduate School of Public Health, November 21, 1991.

10. "Ethical Issues in Human Genetics." Holiday Park Academy of Religious Studies. Pittsburgh, PA, October 29, 1991; Consortium Ethics Program, Hospital Council of Western Pennsylvania, Warrendale, PA, December 10, 1991.
11. "Research Ethics and the Culture of Scholarship." Research Integrity Education Workshops, Graduate School of Public Health, February 13 and February 20, 1992.
12. Pre-performance comments on *Miss Evers' Boys*. City Theater, Pittsburgh, PA, March 13, 1992.
13. "Ethics of Academic Practices." Critical Care Medicine Grand Rounds, University of Pittsburgh Medical Center, Pittsburgh, PA, April 1, 1992.
14. "Human Genetics: Medical Progress and Moral Problems." The Carnegie-Mellon Faculty Club and the Pittsburgh College Club, Pittsburgh, PA, April 3, 1992.
15. "Ethical Issues in Clinical Genetics Practice." Modern Genetics for the Clinician, Pittsburgh, PA, April 4, 1992.
16. "Genetic Screening, Genetic Discrimination: The Role of Health Care Providers." Ethics for Lunch, University of Pittsburgh Medical Center, Pittsburgh, PA, May 21, 1992.
17. "Faculty Workshop on Research Integrity and Ethics." School of Health and Rehabilitation Sciences, May 29, 1992.
18. "Ethical Issues in a Cross-cultural Context." International and Cross-cultural Health Care, Hospital Albert Schweitzer, Chatham College, Pittsburgh, PA, August 8, 1992.
19. "Beauty and the Federal Beast: FDA Regulation of Silicone Breast Implants." Ethics for Lunch, University of Pittsburgh Medical Center, Pittsburgh, PA, September 10, 1992.
20. "Research Ethics and the Culture of Scholarship." Research Integrity Education Workshops, Graduate School of Public Health, January 14 and January 28, 1993.
21. "Human Genetics: Research, Ethics, and Public Policy." Lecture Series in Health Management and Policy, Graduate School of Public Health, February 18, 1993.
22. "Ethics as Applied to Medical Genetics." Medical Genetics: 1993 (American Board of Medical Genetics examination preparation course), University of Pittsburgh Medical Center, Pittsburgh, PA, May 23, 1993.

23. "Ethical Issues Raised by Genetic Technology and Knowledge." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, June 25, 1993.
24. "Medical Ethics: An Overview of Current Issues." Ohio Valley General Hospital, McKees Rocks, PA, January 11, 1994.
25. "Ethical Decision-making in an Era of Health Care Reform." University of Pittsburgh, Pittsburgh, PA, November 17, 1994.
26. "Public Health's Image of Women: Madonnas and Whores, Victims, Vessels, and Vectors." Ethics for Lunch, University of Pittsburgh Medical Center, Pittsburgh, PA, February 9, 1995.
27. "The Diseased and the Normal: Perspectives on Eugenics Past and Present." St. Francis Hospital, Pittsburgh, PA, February 23, 1995.
28. "Ethical Issues and the New Biology." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, July 25, 1995.

Professional development activities related to teaching and mentoring:

1. Selected seminar participant. Chancellor's Seminar on Diversity: Incorporating Race and Gender Literature in the Curriculum. University of Pittsburgh, Pittsburgh, PA, May 12-23, 1997.

2. Effective Conversations on Difficult Topics, March 2017
3. Recruiting an Excellent and Diverse Faculty: Mitigating the Effects of Implicit Bias in Decision-Making, February 2017
4. Are you aware? With Theater Delta, November 2016
5. Understanding unconscious bias, January 2017
6. Identity Politics in the Classroom, May 2017
7. Understanding the Background and Academic Preparation of Students from Chinese Cultures, May 2017
8. How Socioeconomic Factors Shape Student Learning and What We Can Do, May 2017
9. Fundraising Fundamentals: Engaging Alumni and Potential Donors, Making an Ask, Stewardship, Fall 2017
10. Shaping Your Future Through Mentoring
11. Workshop on Negotiating Skills for Women
12. “Can I Be of Any Help?” An Interactive Theatre Performance on Race Relations in the Classroom and an Interactive Workshop
13. “What's Race Got to Do with It?”
14. Women in Medicine & Science Forum, Office of Academic Career Development, annually since 2012; served as a mentor since 2015

Research

GRANTS

- 1993-1994 **Nondirective Counseling and the Mysteries of Life: A Study of the Moral and Religious Dimensions of Genetic Counseling**, *principal investigator*, Society for Health and Human Values, 100% effort
- 1993-1995 **Ethical Issues in Lung Transplantation**, *principal investigator*, University of Pittsburgh Lung Transplant Recipients Fund for Philanthropic Projects, 100% effort

- 1998-1999 **Genetic Diversity, Race, and Gender in Public Health Care and Research: A Curriculum Development Project**, Graduate School of Public Health New Initiatives and Diversity Fund, University of Pittsburgh, 100% effort
- 1999-2002 **Ethics Education in Public Health**, *co-investigator*, Association of Schools of Public Health and Health Resources and Services Administration
- 2002-2003 **New Improved Technology to Improve Prediction and Prevention of Type 1 Diabetes**, *co-investigator*, 5% effort, J. Dorman (PI), Department of Defense, DAMD 17-01-1-0009
- 2002-2005 **Psychosocial Issues in Umbilical Cord Blood Donation**, *co-investigator*, 5% effort; G. Switzer (PI), NHLBI, 5R01 HL061742-02
- 2002-2007 (no cost extension - 2009) **India-U.S. Research Training Program in Genetics**, *training program faculty*, 10% effort, D. Weeks (PI), Fogarty International Center (NIH), 5D43 TW00618002
- 2004-2009 **Training Program for Psychiatric Genetics in India**, *training program faculty*, 10% effort, V. Nimgaonkar (PI), Fogarty International Center (NIH), 5D43 TW006167-02
- 2005-2007 **Advanced Center for Interventions and Services Research (ACISR) for Early-Onset Mood and Anxiety Disorders**, *co-investigator*, 2.5% effort, D. Brent (PI), NIMH, MH66371-04
- 2006-2010 **Advanced Center for Interventions and Services Research (ACISR) for the Study of Late-life Mood Disorders (LLMD)**, *co-investigator* in Research Network Development Core and Operations Core; 10% effort, C. Reynolds (PI), NIMH, MH52247-11
- 2013-2015 **Biospecimen Pre-analytical Variables (BPV) Ethical Legal and Social Implications**, *co-investigator* 10% effort, H. Degenholtz (PI), NCI
- 2013-2018 **Building International Research Ethics Capacity in China**, *co-investigator*, 15% effort/Year 1, 1.8.5% effort Years 2-5, E. Fischer and M. Zigmond (MPIs), NIH-Fogarty International Center, 1 R25 TW009511
- 2014-2019 **Cross-fertilized Research Training for New Investigators in Egypt and India**, *co-investigator*, 1% effort, V. Nimgaonkar (PI), Fogarty International Center (NIH), 1D43TW009114-01A

- 2014-2018 **Return of Amyloid Imaging Research Results in MCI**, *co-investigator*, 8.2% effort, J. Lingler (PI), National Institute on Aging, 1R01AG046906-01
- 2014- **Institute for Personalized Medicine, UPMC/University of Pittsburgh**, *Ethicist*, 20% effort, J. Berg (Director)
- 2015-2016 **Clinical Research Ethics & the Responsible Conduct of Research**, *course designer and co-instructor*, 5% effort, University of Pittsburgh Clinical and Translational Science Institute
- 2015-2016 **Big Data and Healthcare Analytics Course**, *co-investigator and co-instructor*, 5% effort, R Jacobson (PI), Jewish Healthcare Foundation.
- 2017 **Global Studies Center International Travel Grant**, supporting travel to participate in the First International Workshop on Bioethical Dilemmas and Challenges in Vascularized Composite Allotransplantation (VCA), Geneva, Switzerland, May 9-12, 2017.
- 2017 **Hewlett International Grant**, supporting travel to present research ethics lectures at Dalian Medical University and Shanghai Mental Health Center, China, October 26-27, 2017.

69. “Gender, Genes, & Justice.”, Provost's Advisory Committee on Women's Concerns (PACWC) Annual Lecture Welcoming New Women Faculty, University of Pittsburgh, Pittsburgh, PA, October 7, 2015.
70. “Genetic Enhancement: A Game Changer for Sports and Social Justice.” West Virginia University, Morgantown, WV, November 5, 2015.
71. “Ethical Implications of Genomics in the Lives of Ordinary People.” Year of the Humanities in the University sponsored panel, University of Pittsburgh, Pittsburgh, PA, March 2, 2015.
72. “Genomics and the Public’s Health: Ethical Implications of CRISPR-Cas9 and Other Next Generation Technologies.” Area of Concentration in Public Health, School of Medicine, University of Pittsburgh, Pittsburgh, PA, March 15, 2015.
73. “Genetic Enhancement: A Game Changer for Sports and Social Justice.” Honors College, University of Pittsburgh, Pittsburgh, PA, April 15, 2015.
74. “The Right to know/not-know, Truth telling, & Information sharing in genetics.” Wheeling Hospital, Wheeling, WV, September 30, 2017.
75. “Guidelines for Conducting Research on Psychiatric Conditions and with Cognitively Impaired Subjects.” Dalian Medical University, Dalian, China, October 12, 2017.
76. “Guidelines for Conducting Research on Psychiatric Conditions and with Cognitively Impaired Subjects.” Conference on Research Ethics Education and Ethical Review Capacity Building, Dalian, China, October 12, 2017.
77. “Guidelines for Conducting Research on Psychiatric Conditions and with Cognitively Impaired Subjects.” Shanghai Mental Health Center, Shanghai, China, October 14, 2017.
78. “Public Health Ethics.” Shanghai Mental Health Center, Shanghai, China, October 14, 2017.

79. “Precision Medicine: Hope, Hype, and Healthy Skepticism.” Neiswanger Institute for Bioethics & Health Policy, Loyola University Chicago Health Sciences Campus, Chicago, IL, November 30, 2017.

Research seminars and working groups:

1. Invited seminar participant. Liberty and Responsibility: Psychiatry in the Twenty-first Century. Liberty Fund Conference. Key Biscayne, FL, January 2-5, 1992.
2. “Family Law, Family Dynamics, and the Possibility of Coercion in Family Studies.” (with CW Lidz). Commissioned Position Paper. NIH-OPRR Conference on Human Subjects in Genetic Research Involving Families, National Institutes of Health, Bethesda, MD, October 5, 1992.
3. Invited seminar participant. Religion, Morality and the Professions in America: A National Seminar, a three-year project of the Poynter Center for the Study of Ethics and American Institutions, Indiana University, Bloomington, IN, with the support of the Lilly Endowment, May 13-14, 1993; October 15-16, 1993; February 17-18, 1994; May 12-13, 1994; September 22-23, 1994; February 16-17, 1995; May 11-12, 1995; September 13-15, 1995.
4. “Religious and Moralized Language and Images in Genetic Counseling.” Paper contributed to the Seminar on Religion, Morality and the Professions in America: A National Seminar, a three-year project of the Poynter Center for the Study of Ethics and American Institutions, Indiana University, Bloomington, IN, May 12, 1994.
5. Invited panel participant. Special Subcommittee of the Circulatory Support Committee of the Society of Thoracic Surgeons, in cooperation with the Food and Drug Administration, charged with drafting guidelines for pre-market approval of circulatory support devices, Bethesda, MD, October 13-15, 1995.
6. Invited workshop participant and speaker. Commentary on DW Brock’s: “The Genetics of Behavior and Concepts of Free Will and Determinism.” The Snowbird Workshop on Genetic Testing and Screening for Mental Health Disorders. ELSI-HGR, University of Utah, Center for Human Genome Research, and The Snowbird Institute. Snowbird, UT, June 5-9, 1996.
7. Selected seminar participant. Chancellor’s Seminar on Diversity: Incorporating Race and Gender Literature in the Curriculum. University of Pittsburgh, Pittsburgh, PA, May 12-23, 1997.

8. Invited panelist. Symposium: Privacy, Property and Family in the Age of Genetic Testing. Harvard Journal of Law and Technology. Harvard Law School, Cambridge, MA, May 2, 1998.
9. Invited participant. "Control Groups in Psychosocial Interventions Research: Ethical and Methodological Issues." National Institute of Mental Health Workshop. Tysons Corner, VA, November 30-December 1, 1999.
10. Invited seminar participant. "Freedom and Responsibility in the New Genetics." Liberty Fund Conference. Houston, TX, January 11-14, 2001.
11. Invited participant. "Bioethics." Social Philosophy and Policy Center, Bowling Green State University, Bowling Green, OH, April 19-21, 2001.
12. Seminar leader. "Post-mortem Sperm Procurement: Feminist Considerations." Hancock, MA, June 20, 2001.
13. Invited participant. "From Dialogue to Action: Joining Hands to Eliminate the Burden of Cancer in Pennsylvania." Pennsylvania Department of Health, Harrisburg, PA, November 7-9, 2001.
14. Invited participant. "Ethical Challenges in Teaching Professional Ethics." Emory University, Atlanta, GA, May 22, 2002.
15. "Ethical Issues in Genetic Research on Behavioral Conditions," Research Seminar, Dalhousie University, November 1-3, 2002.
16. Invited participant. Pennsylvania Department of Health, Newborn Screening Technical Advisory Committee meeting, January 29, 2003.
17. Invited participant. "Children, Responsibility, and Liberty." Liberty Fund Conference. La Jolla, CA, February 20-23, 2003.
18. "Research Ethics: Foundations, Principles, and Challenges." Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, June 2-11, 2003.
19. "In the Beginning: The Elements and Context of Informed Consent." Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, June 2-11, 2003.
20. "Nearing the End: Storing Data/Samples and Publishing Results." Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, June 2-11, 2003.

21. “Report on the Bioethics Training Component University of Pittsburgh’s Two Training Grants in Genetics with Colleagues in India.” Bioethics-Genetics Network Meeting, Division of International Training and Research Fogarty International Center, National Institutes of Health, NIH Campus, Bethesda, MD, October 25-26, 2004.
22. “Reporting Results of Genetic Research.” Center for Integration of Research on Genetics and Ethics (CIRGE) and the Stanford Center for Biomedical Ethics. (NHGRI supported.) Stanford University, Palo Alto, CA, July 26-27, 2005.
23. NIH Working Group on Management of Incidental Findings in Human Subjects Research. PIs: Susan Wolf and Jeffrey Kahn, University of Minnesota, Minneapolis, MN, April 27-28, 2006.
24. NIH Working Group on Management of Incidental Findings in Human Subjects Research. PIs: Susan Wolf and Jeffrey Kahn, University of Minnesota, Minneapolis, MN, June 21-22, 2006.
25. “Research Ethics Principles & the Process of Informed Consent.” Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, January 4, 2007.
26. “Research Ethics: Consulting Communities, Managing Data, & Publishing Results.” Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, January 5, 2007.
27. Invited discussion leader. On David Luban’s “Ethics of Professionals and National Security.” Association for Practical and Professional Ethics Annual Meeting, Cincinnati, OH, February 23, 2007.
28. NIH Working Group on Management of Incidental Findings in Human Subjects Research. PIs: Susan Wolf and Jeffrey Kahn, University of Minnesota, Minneapolis, MN, May 2, 2007.
29. Cultural Competency in Genetics Research Course, South Texas Psychiatric Genetics Center at the University of Texas Health Science Center, San Antonio, September 27-28, 2007.
30. “Assessing Attitudes toward Pharmacogenetic/genomic Research.” Advanced Center for Interventions and Services Research (ACISR) for the Study of Late-life Mood Disorders (LLMD), Department of Psychiatry, University of Pittsburgh, October 4, 2007.

31. Moral Psychology Research Group, Center for Philosophy of Science, University of Pittsburgh, November 17-18, 2007.
32. Ethics and Public Health Emergency Preparedness and Response, co-sponsored by the Centers for Disease Control, Center for the Advancement of Applied Ethics and Political Philosophy at Carnegie Mellon University, Pittsburgh, PA, May 5, 2008.
33. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Chicago, IL, June 27, 2008.
34. Ethics Cases in Clinical Genetics and Genetic Research. Fourth Workshop of the Genetic Epidemiological Methods for the Dissection of Complex Traits, Kolkata, India, February 27, 2009.
35. Indian Council of Medical Research Working Group to Draft “Ethical Guidelines for Conducting Research on Mental Illness or Psychiatric conditions and Ethical Guidelines for Involving Cognitively Impaired Individuals in Research.” New Delhi, India, March 21, 2009.
36. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Seattle, WA, August 3-4, 2009.
37. “Privacy in an Age of Genomic Research and Healthcare Reform,” Information Ethics Research Seminar, Johnson Institute for Responsible Leadership, University of Pittsburgh, Pittsburgh, PA, October 9-10, 2009.
38. NIH Working Group on Managing Incidental Findings and Research Results in Genomic Biobanks & Archives, PI: Susan Wolf, University of Minnesota, Minneapolis, MN, January 25-26, 2010.
39. Bioethics Retreat, University of Southern Florida, June 20-23, 2010.
40. NIH Working Group on Managing Incidental Findings and Research Results in Genomic Biobanks & Archives, PI: Susan Wolf, University of Minnesota, Washington, DC, June 28-29, 2010.
41. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Bethesda, MD, August 30-31, 2010.
42. “Social Justice, Paternalism, and Social Norms: Revisiting the Breast Implant Controversy.” Social Philosophy Seminar, Hobart and William Smith College, Geneva, NY, November 30, 2010.

43. Catholic Health Association (CHA) Writing Project on Healthcare Reform, Chicago, IL, November 15, 2010.
44. 3rd ELSI Research Congress, Chapel Hill, NC, April 12-14.
45. NIH Working Group on Managing Incidental Findings and Research Results in Genomic Biobanks & Archives, PI: Susan Wolf, University of Minnesota, Bethesda, MD, May 20, 2011.
46. Multi-center AIDS Cohort Study (MACS) and Women Interagency HIV Study (WIHS) Semiannual Spring 2011 Meeting, Rockville, MD, May 22, 2011.
47. "Challenges in Research Ethics and Policy: Perspectives on Data Sharing." eMERGE (Electronic Medical Record and Genomics) National Consortium, Bethesda, MD, July 26-27, 2011.
48. Workshop on the Ethics of Post-Conflict and Post-Disaster DNA Identification. PI: Jay Aronson, Carnegie Mellon University, Pittsburgh, PA, September 22-24, 2011.
49. Panel on Female Genital Modification. American Society for Bioethics and Humanities, Minneapolis, MN, October 13-16, 2011.
50. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Rockville, MD, October 17-18, 2011.
51. Workshop on Secondary Findings on Multiplex Platforms. National Newborn Screening Translational Research Network Ethics Working Group (funded by NICHD and administered by ACMG). Bethesda, MD, November 3-4, 2011.
52. Medical Humanities Consortium Conference. Meeting Co-Chair. Children's Hospital of Pittsburgh of UPMC, Pittsburgh, PA, May 14-15.
53. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Bethesda, MD, October 9-10, 2012.
54. Early Career / Mentor Workshop for Emily Anderson, American Society for Bioethics and Humanities, Washington, DC, October 18-21, 2012.
55. Center for Ethics & Policy, Carnegie Mellon University, Appointed Member, Research Seminar, Fall 2013.
56. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Bethesda, MD, October 7-9, 2013.

57. Genomics and Society Working Group of the NHGRI, Bethesda, MD, November 14-15, 2013.
58. eMERGE (Electronic Medical Record and Genomics) National Consortium, Workshop to Plan Phase III, Return of Genomic Results: Current Applications and Challenges, Panelist, Bethesda, MD, January 22, 2014.
59. Building International Research Capacity Curricula Workshop. NIH-Fogarty International Center, Pittsburgh, PA, January 31, 2014.
60. Genomics and Society Working Group of the NHGRI, Appointed Member, Bethesda, MD, April 7-8, 2014.
61. “Dealing with Patients: Conflicting Interests, Dual Relationships, and Analogies for Analysis.” Center for Bioethics & Health Law Research Colloquium, Presenter, October 31, 2014.
62. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Bethesda, MD, December 4-5, 2014.
63. Genomics and Society Working Group of the NHGRI, Appointed Member, Bethesda, MD, April 13-14, 2015.
64. Report of the Genomics and Society Working Group to the National Advisory Council for Human Genome Research (NACHGR) of NHGRI, Rockville, MD September 21, 2015.
65. “Commentary on ‘Connecting the Dots: Making Air Pollution Visible in Pittsburgh’,” Olga Kuchinskaya. Humanities Center Colloquium, University of Pittsburgh, Pittsburgh, PA, October 15, 2015.
66. Globalizing the Humanities, Humanizing the Global, a Faculty Seminar of the Year of the Humanities and the Global Studies Center, University of Pittsburgh, Pittsburgh, PA, 2015-2016.
67. “Discussion with Helen Small on Aging. Humanities Center Colloquium, University of Pittsburgh, Pittsburgh, PA, February 2, 2016.
68. National Science Foundation Workshop on Ethics and Experimental Political Science, West Virginia University, May 17-18, 2016.
69. Genomics and Society Working Group of the NHGRI, Rockville, MD, June 21-22, 2016.

70. “CRISPR Ethics: Not fresh, crisp or stale, but ripe for mulling,” Department of Human Genetics Retreat, Pymatuning Ecology Laboratory, PA, September 6, 2016.
71. Individualized Medicine Bioethics Symposium: Next Generation Biobanks: Re-envisioning Relationships and Engaging New Ethical Challenges, Mayo Clinic, Rochester, MN, September 12-13, 2016.
72. Centers for Excellence in Ethics Research (CEER) Annual Meeting, sponsored by NHGRI-ELSI, Baltimore, MD, September 26-27, 2016.
73. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Rockville, MD, October 6-7, 2016.
74. Report of the Genomics and Society Working Group to the National Advisory Council for Human Genome Research (NACHGR) of NHGRI, Rockville, MD, February 6, 2017.
75. Report on precision medicine to representatives of US Intelligence Community, Bethesda, MD, February 28, 2017.
76. *All of Us* Return of Genetic Results Workshop, Bethesda, MD, March 6-7, 2017.
77. Ethical Issues in Caring for Diverse Patient Populations, Medical Ethics 2017, Course Director, University of Pittsburgh, Pittsburgh, PA, March 31, 2017.
78. First International Workshop on Bioethical Dilemmas and Challenges in Vascularized Composite Allotransplantation (VCA), Geneva, Switzerland, May 9-12, 2017.
79. Genomics and Society Working Group of the NHGRI, Rockville, MD, May 25-26, 2017.
80. 4th ELSI Congress, Genomics and Society: Expanding the ELSI Universe, representing the Genomics and Society Working Group, Farmington, CT, June 5-7, 2017.
81. Neuroethics of Implantable Brain Stimulation Devices, Course Director, University of Pittsburgh, Pittsburgh, PA, September 25, 2017.
82. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Bethesda, MD, October 9-10, 2017.
83. eMERGE & Beyond: The Future of Electronic Medical Records (EMR) and Genomics. Rockville, MD, October 30, 2017.

84. Responsible Reporting of Gun Violence—A National Symposium, Course Director, February 9, 2018.
85. Dealing with Drugs: Ethical and Policy Issues—From the Opioid Epidemic to Budget-busting Blockbuster Drugs, Medical Ethics 2018, Course Director, University of Pittsburgh, Pittsburgh, PA, March 23, 2018.
86. Access, Advocacy, & Empowerment: Health and Well-being of LGBTQ Youth, Course Director, University of Pittsburgh, Pittsburgh, PA, October 12, 2018.
87. eMERGE (Electronic Medical Record and Genomics) National Consortium, Expert Scientific Panel Meeting, Rockville, MD, October 25-26, 2018.
88. American Society for Reconstructive Transplantation. Chicago, IL, November 15-16, 2018.

Interviews, testimony, and popular media presentations:

1. Interviewed for “Cloning,” by Barbara Bogave on *Radio Times*, a production of WHYI, Philadelphia, PA, March 3, 1997.
2. “Designer Children: Ethics and Genetics,” *UPMC Health News*, a production of WQED, Pittsburgh, PA, September 27, 1998.
3. Interviewed for “Online O. R.” by Michael J. Martinez, October 16, 1998.
<http://www.abcnews.com/sections/tech/DailyNews/websurgery981016.html>.
4. Interviewed for “An equal voice” by Anne Pavuk Wright, *American Medical News* 1999: 42(38):11-12.
5. Interviewed by Christine Wiebe, Medscape, regarding patients’ rights and informedness, November 29, 1999.
6. Interviewed for “Report: Gene therapy for hemophilia” by William Schiffmann, Associated Press, December 7, 1999.
7. Interviewed by Erica Erickson of New Hampshire Public Radio for a program on xenotransplantation, March 18, 2000.
8. Interviewed by John Brylar of *Clinical Trials Advisor* for an article on differences between biotechnology clinical trials and standard pharmaceutical clinical trials, March 18, 2000.

9. Interviewed for “Can you flag ‘rework’ and still get referrals?” *The Periodontist’s Office*, 2000: 2; 5-7.
10. Interviewed for “The Next Big Thing for Medicine.” Arthur S. Levine & Erica Lloyd. *Pitt Med* Spring 2013; http://pittmed.health.pitt.edu/Spring_2013/confluence.pdf.
11. Interviewed for “The Future of Genetic Testing” by Ivy Shi, *Pitt Pulse* February 2014; 4(3).
12. Interviewed by Michael Fitzgerald for “Stitching the Pieces Together: What \$100 Million, 600 Terabytes, and a Lot of Careful Thought Will Do for Pittsburgh.” *Pitt Med* Summer 2014.
13. Interviewed by Stacey Kusterbeck/Editor, “Research data not currently used to make coverage decisions,” *Medical Ethics Advisor*, 2014; 30(5): 57.
14. Testified on proposed *Patient Trust Act*, PA House Bill 2303, before the House Democratic Policy Committee, Pittsburgh, PA, September 8, 2014.
15. Interviewed by Stacey Kusterbeck/Editor, “Patients’ right not to know genetic screening results presents ethical challenges,” *Medical Ethics Advisor*, 2014; 30(11): 126-128.
16. Interviewed by Cristina Rouvalis, Year of the Humanities Profile: A Philosopher of Bioethics, *Pitt Chronicle*, March 14, 2016.
17. Interviewed by Robyn K. Coggins for invisible loss: The language of miscarriage, *Pitt Med*, Spring 2018.
18. Interviewed by Maureen Salamon for *Genome*, October 18, 2017.
19. Interviewed by Robert Mangino, KDKA NewsRadio *Afternoon News*, regarding the BabySeq newborn sequencing project, October 24, 2017.
20. Interviewed by Bijal P. Trivedi for “Medicine’s Future? In an ambitious experiment, a rural US health system is trying to integrate genomic screening into routine care,” *Science* 358(6362):436-440. DOI: 10.1126/science.358.6362.436
21. Interviewed by Sarah Baldwin for *Pitt Med* for “Nature 2.0: Now with More Amino Acids!” *Pitt Med* Spring 2018.
22. Interviewed by Lola Fadulu for “[Is your local coffee shop a low-key opioid clinic?](#)” *The Atlantic*, September 21, 2018.

23. Interviewed by Linda Carroll for "[Study shows downside of medical crowdfunding.](#)" Reuters, October 23, 2018.
24. Interviewed by Max Londberg, "[Doctor killed in Pittsburgh synagogue shooting rushed into gunfire to help the wounded.](#)" *USA Today*, October 30, 2018.

SERVICE

Service to department, school, university:

Department

- | | |
|-----------|--|
| 1992 | Faculty Section of Departmental Self-study, <i>Editor</i> |
| 1993 | Ad Hoc Search Committee for Research Assistant Professor (genetics of cancer), <i>Member</i> |
| 1993 | Ad Hoc Search Committee for Research Assistant Professor (open position), <i>Member</i> |
| 1995 | Admissions Committee, MS Program in Genetic Counseling, <i>Member</i> |
| 1996-1997 | Human Genetics Diversity Project (with Investing Now, Pittsburgh Public Schools; Sickle Cell Society; and GSPH), <i>Collaborator</i> |
| 2014 | MS Program in Genetic Counseling Assistant/Associate Director Search Process, <i>Telephone & In-person Interviewer</i> |
| 2018- | Strategic Planning Committee, <i>Member</i> |

Graduate School of Public Health

- | | |
|-----------|---|
| 1991-2000 | Research Integrity Education Committee and Student Orientation Speaker, <i>Chairman</i> |
| 1992-1994 | Doctoral Student Organization, <i>Faculty Representative</i> |
| 1993 | Faculty Seminar on Ethical Issues in Public Health, <i>Convener</i> |
| 1993 | Distinguished Women's Speakers Series Committee, <i>Member</i> |

- 1993 GSPH AIDS Day Planning Committee, *Member*
- 1995 Integrative Core Course, *Planner*
- 1996-2000 Colloquium Series Project Committee, *Member*
- 1996-1997 Integrative Core Course on Violence, *Instructor*
- 1997-1999 Pittsburgh Area Consortium on Faith and Health Working Group, *Member, Chairman, 1998-1999*
- 1997-1999 Faith and Health Curriculum Committee, *Member*
- 1998-1999 Pittsburgh Area Consortium on Faith and Health Academic Committee, *Chairman*
- 1999 Public Health Values Working Group, *Chairman*
- 1999-2002 Faculty Advancement, Promotion, and Tenure Committee, *Member*
- 2001 Search Committee, Department of Health Services Administration, *Member*
- 2002-2004 Search Committee, Department of Behavioral and Community Health Sciences, *Member*
- 2002-2005 Faculty Advancement, Promotion, and Tenure Committee, *Member*
- 2002-2004 Search Committee, Department of Epidemiology, *Member*
- 2004-2005 Search Committee, Department of Behavioral and Community Health Sciences, *Member*
- 2004-2005 Search Committee, Department of Health Policy and Management, *Member*
- 2008-2014 Faculty Diversity Committee, Graduate School of Public Health, *Member*
- 2014-2016 Genomics Education for Legal Professionals Planning Committee, *Member, Liaison to School of Law*
- 2018 Response to request to change the name of Parran Hall, *Symposium Organizer*

University

- 1991-1992 Curriculum Reform Committee, School of Medicine, *Member*
- 1991-1992 Master's Program in Medical Ethics, Department of History and Philosophy of Science, *Acting Director*
- 1992-1995 Visiting Professor Program Planning Committee, Clinical Ethics Training Program, Center for Medical Ethics, *Member*
- 1992-1993,
1997-1998 Current Controversies in Ethics/Messer Lecture Series Planning Committee, UMPC-MUH, *Member*
- 1992 Search Committee, Department of History and Philosophy of Science, *Member*
- 1993-1998 Master's Program in Medical Ethics, Department of History and Philosophy of Science, *Associate Director*
- 1995-1996 Search Committee, Department of History and Philosophy of Science, *Member*
- 1996-1997 Search Committee, Center for Medical Ethics, *Member*
- 1997 Fundamentals of Clinical Research Qualifying Lecture Series, *Participant*
- 1998-present Bioethics Grand Rounds and Visiting Professor Programs, Center for Bioethics and Health Law, *Director and Liaison to Pitt Public Health*
- 2001-present Appointments Committee, Center for Bioethics and Health Law, *Member*
- 1999-2001 Pediatric Research Ethics Program, Center for Bioethics and Health Law, *Director*
- 2000-present Interdisciplinary Master of Arts in Bioethics, Center for Bioethics and Health Law and the Kenneth P. Dietrich School of Arts and Sciences, *Director*
- 2000-present Area of Concentration in Bioethics & Medical Humanities, School of Medicine, *Director*
- 2001 Tamara Horowitz Graduate Student Research Prize Award, *Reviewer*
- 2002 Tamara Horowitz Graduate Student Research Prize Award, *Chair*

- 2003 Tamara Horowitz Graduate Student Research Prize Award, *Reviewer*
- 2001-2014 Women's Studies Program Steering Committee, *Member*
- 2014-present Gender, Sexuality, and Women's Studies Steering Committee, *Member*
- 2001-2002 Women's Studies Program Search Committee, *Member*
- 2004-2006 Women's Studies Program Graduate Curriculum Committee, *Member*
- 2005-2006 Women's Studies Program Bylaws Committee, *Chair*
- 2006-2008 Women's Studies Program Advisory Committee, *Member*
- 2002-present Global Studies Program, University Center for International Studies, *Core Faculty Affiliate*
- 2002-2005 Conflict of Interest Committee, *Member*
- 2003-2006 Center for Medical Genetics Advisory Committee, *Member*
- 2004-2009 **Geriatric Depression: Getting Better, Getting Well (SWELL)**, Department of Psychiatry, Data Safety and Monitoring Board, *Member*
- 2004-2007 **Systematic Treatment Enhancement Program for Bipolar Disorder (STEP-BD)**, PI: Jordan Smoller, MD, ScD, Massachusetts General Hospital, Vishwajit L. Nimgaonkar MD, PhD, University of Pittsburgh, Oversight Committee, *Member*
- 2004-2005 Gay, Lesbian, Bi-sexual, Transgender Alliance in the Health Sciences Committee, *Member*
- 2004-2005 Current Controversies in Medical Ethics Conference: From Hippocrates to Bill Gates: Doctor-Patient Communication in the Electronic Age, April 11, 2005, *Course Director*
- 2005-2008 Senate ad hoc Committee for the Support and Advancement of Women, *Member*
- 2005 Subcommittee on Consensual Relations Policy Review of the Senate ad hoc Committee for the Support and Advancement of Women, *Chair*
- 2005-2006 Working Group on Teaching Ethics, *Member*

- 2006 Greenwall Foundation Oscar M. Ruebhausen Visiting Professorship in Bioethics Committee, *Member*
- 2006-2008 Department of Communication and Rhetoric, Rhetoric of Science Search Committee (2006-2007, 2007-2008), *Member*
- 2007 Department of Medicine, Residents and Fellows Recruitment, *Interviewer*
- 2007 Medical Ethics Update 2008 Program Committee, *Member*
- 2007-2010 Review Board, Pandemic Flu Preparedness Committee, University of Pittsburgh Medical Center, *Member*
- 2007-2008 Iris Marion Young Award for Political Engagement, Women's Studies Program, *Committee Member*
- 2007-2010 School of Medicine - Carnegie Museum of Art Collaborative Initiative, *Member*
- 2008-2016 Data Safety and Monitoring Board, Human Upper Extremity Allotransplantation Study (IRB # PRO 07030180), *Member*
- 2011 Steve Manners Faculty Development Award, *Reviewer*
- 2013 Pitt Med Second Look (student recruitment), *Interviewer*
- 2013-2015 Gender, Sexuality & Women's Studies Program Research Committee, *Member*
- 2014-2015 Gender, Sexuality & Women's Studies Program Gender Inclusive Language Committee, *Member*
- 2015-2016 Medical Ethics Update 2016 Program Committee, *Member*
- 2015-2016 Gender, Sexuality & Women's Studies Program Conference Program Committee, *Member*
- 2015-2016 Provost's Year of the Humanities in the University, including Appropriations Subcommittee, Cultural Competence Subcommittee, and Humanities in Health Subcommittee, *Appointed Member*
- 2016-present Humanities Council, Dietrich School of Arts & Sciences, *Appointed Member*
- 2016-present Dual Use Research of Concern (DURC) Committee, *Appointed Member*

- 2016-present Data Analytics Initiative, Office of the Provost, University of Pittsburgh, *Ethics Consultant*
- 2016-present Certificate in Medical Humanities Planning Committee, *Member*
- 2016-2017 Cultural Studies Program Executive Committee, *Chair*
- 2016-2017 Conversations on Curiosity Program Committee, Humanities Center, *Member*
2016-present All Pitt Cultural Competence Committee, *Appointed Member*
- 2017-2018 Consortium Ethics Program, *Acting Director* (through June 2018)
- 2017-present Data Safety and Monitoring Board, Testing a Synergistic, Neuroplasticity-Based Intervention for Depressive Neurocognition (IRB # PRO 16030222), *Member*
- 2017 Global Studies Program Selection Committee for the Global Academic Partnership (GAP) grant, *Member*
- 2017-2018 Global Health Certificate Planning Committee, Global Studies Program, *Member*
- 2017-2018 Cultural Studies Program Executive Committee, *Member*
- 2017-2018 Gender, Sexuality, and Women's Studies Program Research Committee, *Member*
- 2018 Gender, Sexuality, and Women's Studies Program *Ad Hoc* Search Committee for Interim Director
- 2018 Gender, Sexuality, and Women's Studies Program *Ad Hoc* Search Committee for Gender & Science Lecturer
- 2018 Office of Diversity and Inclusion Review Committee regarding the name of Parran Hall, *Appointed Member*
- 2018 Pitt SEED Project, *Reviewer*
- 2018- Students for Healthcare Equality, *Faculty Advisor*

Research Project / Manuscript Consultant:

2014 Ana Iltis, PhD, Wake Forest University, book manuscript on the ethical foundations of human subjects protections, *Consultant to the Project*

Study Sections, Review Panels, and Advisory Boards:

1992 Office of Protection from Research Risk Committee to Draft Guidelines on Use of Human Subjects in Genetic Research Involving Families, *Invited Panelist*

2001 Pennsylvania Department of Health, Comprehensive Cancer Plan for Pennsylvania, Future Search Conference, "From Dialogue to Action," November 7-9, 2001, *Conference Participant*

2002 Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel, July 10-11, 2002, *Reviewer*

2002 Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel on Genetic Variation, December 12-13, 2002, *Reviewer*

2004 Ethical, Legal, and Social Implications of the Human Genome Project Review Panel for Centers of Excellence in Ethical Legal and Social Implications Research (CEER), March 29-30, 2004, *Reviewer*

2004 Ethical, Legal, and Social Implications of the Human Genome Project NIH Special Panel, April 1, 2004, *Reviewer*

2004 Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel, November 15-16, 2004, *Reviewer*

2005 Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel, March 7-8, 2005, *Reviewer*

2006 Philosophy Special Interest Section, American Society for Bioethics and Humanities, *Reviewer*

2006 & 2007 Search/Recruitment Committee for Gallagher Professor of Theology and Health Care Ethics, Duquesne University, *Member*

- 2007 Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel, March 8, 2007, *Ad Hoc Reviewer*
- 2007 Ethical, Legal, and Social Implications of the Human Genome Project Review Panel for Centers of Excellence in Ethical Legal and Social Implications Research (CEER), NIH Review Panel, April 9-10, 2007, *Site Reviewer*
- 2007 Canadian Institutes of Health Research Peer Review Committee for Ethical, Legal, Social Research, July 2007, *Ad Hoc Reviewer*
- 2008 Appointment, Promotion and Tenure Committee of the University of Minnesota School of Public Health, *External Referee*
- 2007-2010 Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel, October 10, 2007; February 13-14, 2007; June 5, 2008; October 20, 2008; February 19, 2009; June 1-2, 2009; September 30, 2009; November 19-20, 2009 (ELSI Centers); June 7, 2010; October 26, 2010, *Study Section Member and Ad Hoc Chair*
- 2008-2011 Expert Scientific Panel, eMERGE (Electronic Medical Record and Genomics) Network – Phase I, NHGRI, *Appointed Member*
- 2009 Wellcome Trust, Medical Humanities Research Fellowship, *Peer Review Panel Member*
- 2011 Ethical Issues in Clinical, Genetic and Research Studies, February 15, 2011, *Study Section Member*
- 2011 Return of Research Results RFA Review Panel, June 21, 2011, *Study Section Member*
- 2011 Appointment, Promotion and Tenure Committee of the University of Minnesota School of Public Health, *External Referee*
- 2011 Wellcome Trust, Medical Humanities Research Fellowship, *Peer Review Panel Member*
- 2012 Maryland Stem Cell Research Fund, Scientific Peer Review Panel, March 20-22, 2012, *Panel Member*
- 2012 Lasker Clinical Research Scholars Program, Review Panel, May 25, 2012, *Panel Member*

- 2012 Societal and Ethical Issues in Research Study Section, July 30, 2012, *Panel Member*
- 2012 Centers of Excellence in ELSI Research (CEER) Study Section, November 13-14, 2012, *Panel Member*
- 2011-2015 Expert Scientific Panel, eMERGE (Electronic Medical Record and Genomics) Network – Phase II, NHGRI, *Appointed Member*
- 2012 Netherlands Organisation for Health Research and Development (ZonMw), *Ad Hoc Reviewer*
- 2012-2017 Genomics and Society Working Group (GSWG), Division of Genomics and Society (DGS), NHGRI, *Appointed Member, Chair 2015-2017*
- 2013 Fogarty International Center Bioethics Training Program Review Panel, December 9, 2013, *Panel Member*
- 2014 Centers of Excellence in ELSI Research (CEER) Annual Meeting, March 17-19, 2014, *Representative of the Genomics & Society Working Group (GSWG)*
- 2014 Department of Defense, U.S. Army Medical Research and Material Command, Congressionally Directed Medical Research Programs (CDMRP) - Autism Research Program Peer Review Panel, December 8-9, 2014, *Bioethicist Member*
- 2015-present Expert Scientific Panel, eMERGE (Electronic Medical Record and Genomics) Network – Phase III, NHGRI, *Appointed Member*
- 2015 Netherlands Organisation for Health Research and Development (ZonMw), *Ad Hoc Reviewer*
- 2015 Centers of Excellence in ELSI Research (CEER) Annual Meeting, March 16-18, 2015, *Representative of the Genomics & Society Working Group (GSWG)*
- 2015 Social and Ethical Issues in Research (SEIR) Study Section, July 23, 2015, *Panel Member*
- 2015 Fogarty International Center Bioethics, International Research Ethics Education and Curriculum Development Award, November 17, 2015, *Panel Member*
- 2015 Centers of Excellence in ELSI Research (CEER) Study Section, December 4, 2015, *Panel Member*

- 2015 Social and Ethical Issues in Research (SEIR) Special Emphasis Panel, December 10, 2015, *Panel Member*
- 2015 Department of Defense, U.S. Army Medical Research and Material Command, Congressionally Directed Medical Research Programs (CDMRP) Clinical Trial - Neurological Disease (CT-ND) Research Peer Review Panel, December 15, 2015, *Ethics Member*
- 2015-present Department of Defense and the Veterans Administration, Chronic Effects of Neurotrauma Consortium, Data Monitoring Committee, *Member*
- 2016 Maryland Stem Cell Research Fund, Scientific Peer Review Panel, March 22-24, 2016, *Panel Member*
- 2016 Tenure and Promotion Review for <redacted to preserve confidentiality>, Fall 2016
- 2017 Tenure and Promotion Review for <redacted to preserve confidentiality>, Spring 2017
- 2017 Human Heredity and Health in Africa (H3Africa) Initiative Review Panel, March 22, 2017, *Member*
- 2017 Maryland Stem Cell Research Fund, Scientific Peer Review Panel, March 28-30, 2017, *Panel Member*
- 2017 Ethical, Legal and Social Implications (ELSI) Research Program at the National Human Genome Research Institute, Research Supplements to Promote Diversity in Health-Related Research (Administrative Supplement) Review, June 2017
- 2017 Genome Canada's 2017 Large-Scale Applied Research Project Competition: Genomics and Precision Health, *Review Panel Member*
- 2018 Promotion Review for <redacted to preserve confidentiality>, Spring 2017
- 2018 Department of Defense Congressionally Directed Medical Research Programs (CDMRP) - Vision Research Program (VRP), three peer review panels, January 2018, *Bioethicist Member*
- 2018- Research Training Advisory Committee (RTAC) for the NHGRI Extramural Training and Career Development Programs, *Member*

- 2018 Maryland Stem Cell Research Fund, Scientific Peer Review Panel, March 20-22, 2018, *Panel Member*
- 2018 Human Heredity and Health in Africa (H3Africa) Initiative Review Panel, April 9, 2018, *Chair*
- 2018 Maryland Stem Cell Research Fund Commercialization and Validation Program, Scientific Peer Review Panel, August 15, 2018, *Member*
- 2018 Social and Ethical Issues in Research (SEIR) Special Emphasis Panel, October 15, 2018 *Panel Member*
- 2019 Department of Defense Congressionally Directed Medical Research Programs (CDMRP) - Joint Program Committee 5/Military Operational Medicine Research Program - Psychological Health (PH)/Traumatic Brain Injury Research Program (TBI) Peer Review Panel, January 9-11, *Bioethicist Member*

Leadership in Scholarly and Professional Organizations and Honorary Societies:

- 1993-1999 Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), a project of the National Science Foundation, *Ethics Educator*
- 1995 Society of Thoracic Surgeons, Special Subcommittee of the Circulatory Support Committee, and the Food and Drug Administration, Joint Project to Draft Guidelines for Pre-Market Approval of Circulatory Support Device, *Member*
- 1997-2001 Committee on Philosophy and Medicine, American Philosophical Association, *Member*
- 2000 Committee on Philosophy and Medicine, American Philosophical Association — Symposium: “Medical Genetics and Philosophy: Mutating Concepts, Evolving Disciplines,” Pacific Division meeting, Albuquerque, NM, April 8, 2000, *Convener*
- 2000 Association of Schools of Public Health Working Group on Ethics in Public Health; Co-Convener of National Workshop on Ethics in Public Health, Washington, D.C., April 30-May 2, 2000, with support from the Health Resources and Services Administration (HRSA), *Co-Convener*
- 2001-2004 Association of Schools of Public Health Working Group on Ethics in Public Health and Hastings Center; Co-Convener of Second National Workshop on Ethics in Public Health, Washington, D.C., June 28-29, 2001 with support from

- the Health Resources and Services Administration (HRSA), *Co-Convener, Curriculum Module Developer*
- 2007-2008 Nominating Committee, Association for Practical and Professional Ethics, *Chair*
- 2008 Pennsylvania Medical Humanities Consortium, Carnegie Museum of Art, Pittsburgh, PA, May 13-14, 2008, *Meeting Co-Convener*
- 2008 DrPH Competency Development Project, Association of Schools of Public Health, *Invited Participant*
- 2012 Pennsylvania Medical Humanities Consortium, Carnegie Museum of Art, Pittsburgh, PA, May 15-16, 2012, *Meeting Co-Convener*
- 2012-2014 Finance Committee, Executive Board of the Association for Practical and Professional Ethics, *Chair*
- 2013-2015 Bioethics Programming Committee, 2014 International Meeting, Association for Practical and Professional Ethics, *Chair*
- 2007-2015 Association for Practical and Professional Ethics (APPE), *Executive Board*

Ethics Consultation:

- 1991-2006 Ethics Consultation Service, University of Pittsburgh Medical Center, *Consultant*
- 1991-2006 Ethics Committee, University of Pittsburgh Medical Center, *Member*
- 1991-1992 Protocol Review Committee, Pittsburgh Cancer Institute, *Consultant*
- 1992-1998 Pulmonary/Cardiopulmonary Transplantation Selection Committee, University of Pittsburgh Medical Center, *Consultant*
- 1994 Magee-Womens Hospital Research Review and Human Subjects Research Committee Retreat, *Discussant*
- 1994-2000 Pittsburgh Tissue Engineering Institute, University of Pittsburgh Medical Center, *Consultant*
- 2001 Post-Mortem Sperm Procurement Protocol, *Co-Author*

- 2001 “Sponsor Responsibilities Following Research: Who Owes What to Whom?”
Janssen Research Foundation, October 24, 2001, *Consultant, Speaker*
- 2002-2009 Pennsylvania Department of Health, Newborn Screening Technical Advisory
Committee, *Ethicist*
- 2004-2005 **Project among African-Americans to Explore Risks for Schizophrenia
(PAARTNERS)**, PI: Rodney Go, PhD, University of Alabama, Birmingham,
ELSI Consultant
- 2004-2010 **Advanced Center for Interventions and Services Research (ACISR) for the
Study of Late-life Mood Disorders (LLMD)**, PI: Charles Reynolds, MD,
Department of Psychiatry, University of Pittsburgh, *Research Ethics Consultant*
- 2004-2007 **Center for Suicide Prevention: A Lifespan Approach**, PI: David Brent, MD,
Department of Psychiatry, University of Pittsburgh, *Research Ethics Consultant*
- 2004-2009 Institutional Review Board, University of Pittsburgh, *Consultant*
- 2006-2007 Committee to Develop Reviewer Guidelines for the Determination of Risk in
Genetic Studies, Institutional Review Board, University of Pittsburgh, *Member
and Report Author*
- 2008-present Fertility Preservation Project, Magee Womens Hospital and Children’s Hospital,
Ethicist
- 2008-2014 Human Stem Cell Research Oversight Committee, University of Pittsburgh,
Ethicist
- 2009-present National Society of Genetic Counselors Ethics Advisory Group, *Ethicist*
- 2011 Multi-center AIDS Cohort Study (MACS) and Women Interagency HIV Study
(WIHS), *Research Ethics Consultant*
- 2012-present Institutional Review Board, University of Pittsburgh, *Consultant*
- 2013 Fetal Diagnosis and Treatment Center, Magee-Womens Hospital of UPMC,
Consultant
- 2013-2014 Pitt/UPMC Biobanking Initiative, *Ethicist*
- 2013-present Institute for Precision Medicine, *Ethicist*

- 2014-2015 Committee on the Distinction between Quality Improvement and Research,
Ethicist
- 2014-2015 Genomic Resources for Enhancing Available Therapies Study (GREAT Study),
PI: D Whitcomb, *Research Ethics Consultant*
- 2018- The Center for Enhancing Treatment & Utilization for Depression & Emergent
Suicidality (ETUDES) in Pediatric Primary Care, PI: D Brent, *Research Ethics
Consultant*
- 2018- Moral Distress among Interprofessional Healthcare Providers, T32: H Vincent,
Research Ethics Consultant
- 2018 - Neurobiology of Speech Production in Awake Patients Undergoing DBS and
Epilepsy Surgery, PI: M Richardson, *Research Ethics Consultant*
- 2018- Precision Genomic Medicine in The Plain Communities and its Impact on The
Plain and General Population, T32: LG Gonzalez, *Research Ethics Consultant*
- 2018- Precision Medicine in the Diagnosis of Genetic Disorders in Neonates / NICU
Seq, Co-PI: G Vockley & T Diacovo, *Research Ethics Consultant*
