

John Samuel Rozel, MD, MSL, DFAPA

Professor of Psychiatry & Adjunct Professor of Law, University of Pittsburgh

BIOGRAPHICAL

Business Address:	resolve Crisis Services 333 N. Braddock Ave. Pittsburgh, PA, 15208	E-Mail Address:	rozeljs@upmc.edu
Business Phone:	412-864-5013	Business Fax:	412-864-5044

EDUCATION and TRAINING

UNDERGRADUATE:

1990-1995	Brown University (Providence, RI)	AB, 1995	Biomedical Ethics
-----------	--------------------------------------	----------	-------------------

GRADUATE:

1995-1999	Brown University School of Medicine (Providence, RI)	MD, 1999	Medicine
2002-2005	University of Pittsburgh School of Law (Pittsburgh, PA)	MSL, 2005	Health Law

POSTGRADUATE:

1999-2002	University of Pittsburgh School of Medicine / Western Psychiatric Institute and Clinic Program Directors: Ravi Reddy & Ken Nash (Pittsburgh, PA)	Residency	General Psychiatry
2002-2004	University of Pittsburgh School of Medicine / Western Psychiatric Institute and Clinic Program Directors: Veca Meyer & Erin Malley (Pittsburgh, PA)	Fellowship	Child and Adolescent Psychiatry
2004-2005	University of Pittsburgh School of Medicine / Western Psychiatric Institute and Clinic Program Director: Christine Martone (Pittsburgh, PA)	Fellowship	Forensic Psychiatry

2013	Joseph M. Katz Graduate School of Business / University of Pittsburgh (Pittsburgh, PA)	Master's Certificate	Project Management
2012-2013	Clinician Educator Faculty Development Program Western Psychiatric Institute and Clinic (Pittsburgh, PA)	Certificate	Career Development

APPOINTMENTS and POSITIONS

ACADEMIC:

2005-2008	Department of Psychiatry, University of Rochester School of Medicine and Dentistry (Rochester, NY)	Senior Instructor
2008-2010	Department of Psychiatry, University of Rochester School of Medicine and Dentistry	Assistant Professor
2010-2017	Department of Psychiatry, University of Pittsburgh School of Medicine (Pittsburgh, PA)	Assistant Professor
2011-Present	University of Pittsburgh School of Law	Adjunct Professor
2014-2020	Center for Bioethics and Health Law, University of Pittsburgh	Affiliate Faculty Member
2017	School of Nursing, Duquesne University	Preceptor
2017-2023	Department of Psychiatry, University of Pittsburgh School of Medicine	Associate Professor
2020-present	Center for Bioethics and Health Law, University of Pittsburgh	Core Faculty Member
2023-present	Department of Psychiatry, University of Pittsburgh School of Medicine	Professor

NON-ACADEMIC:

2005-2010	Strong Memorial Hospital, University of Rochester Medical Center (Rochester, NY)	Attending Physician with Admit Privileges
2005-2010	Comprehensive Psychiatric Emergency Program, Strong Memorial Hospital, University of Rochester Medical Center (Rochester, NY)	Attending Physician
2006-2010	Rochester Community Mobile Crisis Team (Rochester, NY)	Medical Director
2007-2010	Monroe County Developmental Disabilities Services Organization Crisis Intervention Team (Rochester, NY)	Psychiatric Consultant
2007-2010	Child & Adolescent Inpatient Psychiatric Units, Strong Memorial Hospital, University of Rochester Medical Center (Rochester, NY)	Medical Director
2008-2010	Developmental-Behavioral Pediatrics Fellowship, Golisano Children's Hospital, University of Rochester School of Medicine and Dentistry (Rochester, NY)	Psychiatric Consultant
2010-Present	UPMC Western Psychiatric Hospital (Previously known as Western Psychiatric Institute & Clinic of UPMC) (Pittsburgh, PA)	Attending Physician with Admit Privileges
2010-Present	resolve Crisis Services (previously re:solve Crisis Network) UPMC Western Psychiatric Hospital (Pittsburgh, PA)	Medical Director
2010-2018	CACTIS Clinic at Shuman Detention Center (Pittsburgh, PA)	Treating Psychiatrist

2015-2020	SAFE (Services for Adolescent and Family Enrichment), SAFETY (Services Aimed at Fire Education and Treatment for Youth), SKIP (Services for Kids in Primary Care) and Alternatives for Families CBT, Pediatric Consultation Program Western Psychiatric Institute and Clinic of UPMC / UPMC Western Behavioral Health (Pittsburgh, PA)	Medical Director
2016-present	Systemwide Threat Assessment and Response Team UPMC	Co-director / Psychiatrist
2019-present	Mobile Mental Health Therapy Program UPMC Western Psychiatric Hospital (Pittsburgh, PA)	Medical Director

CERTIFICATION and LICENSURE

SPECIALTY CERTIFICATION:

Certifying Board	Year

Initially an invited member of focus group, ongoing consultation, and participant in a plenary session at their annual conference on issues relating to law enforcement interaction with people with mental illness. Member, Police Physicians Section where I am actively involved in discussions relating to management of agitation and restraint.
2015-2017	Member, Conference Planning Committee, Forensic Rights and Treatment Conference, Drexel University . Work with a multidisciplinary team of professionals across the state to set the theme, agenda and review of submissions for a conference on forensic psychiatric services for criminal justice involved individuals.

2016	Co-leader, Research Consensus Conference on Behavioral Emergencies, American College of Emergency Physicians. Co-facilitated a work-group on addiction related emergencies in coordination with Kate Hawk to produce consensus recommendations for needed research.
2016-present	Pittsburgh Start-up Committee, Association of Threat Assessment Professionals. Working towards developing a free-standing chapter under with the support of the Washington, D.C. Chapter.
2017-present	Behavioral Science Consultant, Pittsburgh Cultural Trust. Provide subject matter expertise on violent behavior and behavioral emergency management to Pittsburgh Cultural Trust security team for threat management activities.
2018-2019	Committee Member, National Council for Behavioral Health Medical Directors' Institute. Member of select working group developing a white paper on mass shootings for behavioral health organizations; member of subcommittees focusing on prevalence of mass violence and high risk individuals with guns.
2017-2019	Consultant, Insider Threat Center / CERT, Carnegie Mellon University. I provide ongoing consultation for researchers developing novel techniques to identify insider threats.
2018	Participant, Healthcare Journalism Listening Session, 90.5 WESA. I was one of a small number of local health professionals asked to help WESA's news team identify priorities for coverage for health and medicine stories.
2018-2020	Consultant / Subject Matter Expert, Suicide Awareness Voices of Education and American Academy of Child and Adolescent Psychiatry Task Force on 13 Reasons Why. Worked with a number of professionals to develop fact sheets for clinicians, parents, educators and media in response to 13 Reasons Why including content relating to school shootings.
2019-2021	Consultant / Project Lead, National Suicide Prevention Lifeline. Leading a team of emergency mental health and violence subject matter experts to develop national best practices for violence risk assessment and management.
2019-2020	Contributor / CONFIRM Project. I am a subject matter expert and contributor for a project to establish best practices for training health professionals about firearm injury prevention organized by the American Foundation for Firearm Research in Medicine.
2019-2020	Subject Matter Expert / Consultant, EMPOWER Curriculum Development. Supporting a team at Court Appointed Special Advocates to develop improved training on working with youth who have been sexually traumatized or subject to human trafficking.
2020	Consultant, Columbia University Department of Emergency Medicine. Provided consultation to department leadership about staff support during complex crises.
2020	Consultant, Ochsner LSU Health Shreveport Communications Team. Provided consultation to team about effective communications after workplace violence.
2020-present	Member, Standards, Training and Practices Committee, National Suicide Prevention Lifeline.
2020-2021	Member, Crisis Regulation Planning Group, Rehabilitation & Community Providers' Association of Pennsylvania.
2020	Member, 988 Behavioral Health Crisis Care Continuum Planning Group, Vibrant Emotional Health / National Suicide Prevention Lifeline.

2020-present	Member, Advisory Committee, American Foundation for Firearm Research in Medicine.
2021-2022	Contributor / CONFIRM 2 Project. I am a subject matter expert and contributor for a project to establish best practices for training the general public about firearm safety organized by the American Foundation for Firearm Research in Medicine.
2022	Member, 10.27 Healing Partnership Community Resiliency Working Group. Member of an advisory group addressing strategic planning for the Squirrel Hill community's long term needs after a mass shooting.
2022-present	Consultant, Facility Guidelines Institute, Reimagining Behavioral Emergency Environments Project. Taskforce working on patient and safety centered architectural design guidelines for psychiatric emergency and crisis settings.

Government

Years	Activity
2013	Consultant, Office of Senator Pat Toomey. I provided ongoing consultation and support about mental health law commitment and reporting standards to Sen. Toomey's staff as they developed enhanced background check legislation for the US Senate
2013-present	Member, Pennsylvania Commission on Crime and Delinquency, Mental Health and Justice Advisory Committee. I am an appointed committee member to a state Executive-branch commission that sets priorities of funding for criminal justice and mental health expenditures for the state, overseeing the disbursement of approximately \$5,000,000 in grants. In addition to core MHJAC activities I work closely with other members of the Commission and other Commission Advisory Committees on issues relating to violent victimization of people with mental illness.
2013-2015	Consultant, Nebraska Department of Health & Human Services, Region 6. Independent consultant on resolving conflicts between mental health and criminal justice systems, including training and facilitated discussion between regional leadership and providers of mental health, law enforcement, and criminal justice services.
2014	Advisor, Joint State Government Commission, Commonwealth of Pennsylvania. Advised JSGC – the research and advisory department of the Pennsylvania Legislature – staff on mental health law issues during development of their report, "Mental Health Services and the Criminal Justice System in Pennsylvania."
2014	Advisor, Dan LaVallee for Congress. Provided guidance and information to Mr. LaVallee (Candidate for US House of Representatives, 3 rd Congressional District of PA) on policy issues relating to mental health access, emergency services, violence and firearms.

2014-2018	Chair, Mental Health Law & Legislation Subcommittee, Pennsylvania Commission on Crime and Delinquency, Mental Health and Justice Advisory Committee. Appointed to chair a subcommittee tasked with developing draft legislation and provide policy support to the Executive and Legislative branches on revision of state mental health laws. Membership of the Subcommittee includes leadership from the Department of Human Services, Department of Corrections, Board of Sentencing, and community representation from leadership of various groups including Pennsylvania Psychiatric Association, Disability Rights Network, Mental Health Association of PA, NAMI, County Commissioner Association of Pennsylvania, amongst others.
2015	Advisor/Trainer, Supreme Court of Pennsylvania, Administrative Office of Pennsylvania Courts. Helped to deliver a series of regional trainings for court officers including judges, prosecuting and defense attorneys, probation officers and others on psychological and cultural impact of trauma on military veterans in the criminal justice system.
2017	Advisor/Consultant, Allegheny County District Attorney Office. Worked with ADA Debra Barnisin-Lange and a team of other professionals to explore and develop regional resources for community-based restoration of competence for Allegheny County.
2017	Behavioral Science & Ethics Consultant, Department of Defense. Consultation to a program developing novel techniques to identify insider threats.
2018-2020	Consultant, BuCIT Project, Federal Bureau of Investigation, Office of Partner Engagement. Involved in an ongoing project with SAIC Ambrosini, WPIC Psychiatry Residents, and Pitt Law students to develop training on working effectively with victims, witnesses, and offenders with mental illness.
2018-2020	Consulting Psychiatrist, Allegheny County Police Department Crisis Negotiation Team. Provide training and consultation for officers with the county hostage negotiation team.
2018-2019	Consultant, SAMHSA National Suicide Hotline Implementation Act Workgroup. Participant in a team of stakeholders and subject matter experts convened to create a strategic plan to implement a national N11 hotline system for suicide, crisis, and mental health emergencies. Report available at https://ecfsapi.fcc.gov/file/1022280990575/19021504-1.pdf
2019	Hill Day for Threat Assessment, Prevention & Safety HR838. Met with Congress members and staffers to discuss the TAPS act on behalf of the American Association for Emergency Psychiatry and Association of Threat Assessment Professionals.
2019	Testimony on behalf of the Pennsylvania Psychiatric Society, Pennsylvania House of Representatives Democratic Policy Committee. I provided written and oral testimony about bills addressing comprehensive background checks, child access prevention laws, and mandated reporting of lost and stolen firearms.
2019	Testimony, Pennsylvania House of Representatives Democratic Policy Committee. I provided written and oral testimony about extreme risk protection orders and state law pre-emption issues.
2019	Testimony on behalf of the Rehabilitation and Community Provider Association of Pennsylvania, Pennsylvania Senate Judiciary Committee. I provided written and oral testimony about the intersection between mental illness, firearms and violence. https://www.senatorbaker.com/2019/09/20/092419/

2019-present	Member, Governor's Special Council on Gun Violence. Appointed member as representative from the Mental Health and Justice Advisory Committee and subject matter expert. Member of the original Council and providing ongoing subject matter expertise to PCCD on firearm injury and threat management matters.
